§ Honorable Denise Page Hood
Reorganized Debtor §

**THIRD AMENDED SCHEDULING ORDER NO. 2 REGARDING
CERTAIN DISPUTED LATE CLAIM REQUESTS (GROUP 3)**

On January 19, 2007, the Court issued Scheduling Order No. 2 Regarding Certain Disputed Late Claim Requests (Group 3) (the “Scheduling Order”). On February 16 and April 3, 2007, the Court issued agreed orders extending the deadlines in the Scheduling Order. Upon the agreement of the Claimants’ Advisory Committee (“CAC”) and Dow Corning Corporation (“DCC”), it is ORDERED that the Scheduling Order is further amended as follows:

1. **Objections:** **OCTOBER 12, 2007** is the deadline for the Movants¹ to file Objections to the Disputed Requests and to send the Objections to the Late Claimants (and their counsel, if known to the Movants). With each Objection, the objecting party shall also serve a notice (“Notice”) informing the Late Claimants of the deadline for written Responses to be received by the Court, as described in paragraph 2 below. The Notice will also inform the Late Claimants of the date, time and location of the Initial Status Conference described in paragraph 5 below.

2. **Responses:** **NOVEMBER 16, 2007** is the deadline for a Late Claimant to file a written Response to the Objection related to her Disputed Request.² **The Response must be received by the Court no later than November 16, 2007 at the following address:**

¹ Unless defined herein, capitalized terms shall have the meanings provided in the Scheduling Order.

² The CAC may file a response to an Objection, and Dow Corning reserves all rights with respect to any such response.

U.S. District Court
Dow Corning Litigation Unit

Late Claimants must file their Responses on the form previously provided to them as Exhibit 2 attached to the Scheduling Order. The Response must state in writing why the Late Claimant does not agree with the Objection and any additional reasons for lateness that the Late Claimant has not previously told the Court in writing. A Late Claimant or her counsel may file a legal memorandum in addition to a Response, but any such memorandum must be received by the Court at the foregoing address no later than November 16, 2007.

3. **Failure to File a Response:** If the Court does not receive a Response from a Late Claimant by November 16, 2007, either of the Movants will file a document with the Court stating that no Response was received. A copy of that document will be sent to the Late Claimant in question and to the Movants. Based on this document, **the Court may deny the relevant Disputed Request with prejudice (that is, the Court may permanently rule that the Late Claimant cannot participate in the Dow Corning settlement program) without further notice or a hearing**, or the Court may set a status conference for further proceedings.

4. **Replies:** **DECEMBER 21, 2007** is the deadline for Dow Corning and/or the CAC to file a Reply to any Response.

5. **Initial Status Conference; Initial Status Report; Scheduling Orders:** The Court extends the Initial Status Conference from October 4, 2007 to **FEBRUARY 7, 2008 at 9:00 a.m.** in the courtroom of Judge Denise Page Hood, located on the second floor of the Theodore Levin United States Courthouse, 231 W. Lafayette Blvd., Detroit, Michigan. No later than **JANUARY 24, 2008**, the Movants shall file and send to the Late Claimants (and their counsel, if known to the Movants) an initial status report containing the following information: (a) the date the Objection was filed and sent to the Late Claimants or their counsel, (b) the

identity of the Late Claimants who filed a Response and those who did not, (c) recommended scheduling orders, and (d) any other information or recommendation that may be helpful to the Court.

6. No later than **JANUARY 24, 2008**, the Movants shall send proposed scheduling orders to the Late Claimants (and their counsel, if known to the Movants). The proposed scheduling orders may set discovery deadlines and the date for a final hearing on each Objection. *A Late Claimant, or counsel for a Late Claimant, is not required to attend the Initial Status Conference if she consents to the proposed scheduling order for her Disputed Request.*

7. **Final Hearing Dates.** Final hearing dates with respect to the Disputed Requests will be determined at the Initial Status Conference and set forth in scheduling orders that will be served on all parties.
