ORDER ON MOTION FOR RELIEF FROM PREVIOUS ORDER

_____ Before the Court is Plaintiff Dorothy Larson's ("Larson's") Rule 60(b) Motion for Relief from Previous Order (Doc. 7, CV. No. 94-14084) as well as Dow Corning Corporation's ("Dow") Response (Doc. 3628, CV. No. 92-10000.) Larson was named in Judge Pointer's November 6, 1995, State Remand Order #3 due to an obvious clerical mistake. Larson clearly opted out of Plaintiffs' Motion to Dismiss. (See Doc. 7, Ex. A.) Neither Rule 60(a) or (b) contemplate a strict time limitation to correct clerical errors. Thus, the Court finds that her claims against Dow Corning Corporation ("Dow") were inadvertently dismissed. She now has the right to resolve her claims against Dow by participating in the bankruptcy settlement being

administered by the Dow Corning Trust–Dow Settlement Facility. Plaintiff’s Rule
60(b) Motion is hereby GRANTED.

Done the 18th day of April, 2008.
