Dear Mr. Ruth:

The Settlement Facility has received your letter in regards to claimant Dorothy Taylor. The claimant did not request for you to be removed from her claim. The protocol at the Settlement Facility requires that all Attorneys submit a W-9 with their tax identification numbers. We have made several attempts to contact you and request a W-9 form from you. You may complete and return the attached W-9 form and you will be added back to the claim and payment will be sent. We must have a completed W-9.

If you have questions or need assistance, please call (toll-free) 866-874-6099 or contact us by email.

RE: SID 0986988

Dear Mr. Ruth:

Thank you for your response.

The Settlement Facility has received your W-9. You have been added back as Attorney of Record for claimant **Dorothy Taylor**

You may return the checks of the deceased claimants; we will place the claim on hold until a relative is found. If you wish to be removed from the claim you can send us a letter with that request. In that same letter you can request that a lien be placed on the claim. When a relative is found the lien process would begin.

If you have questions or need assistance, please call (toll-free) 866-874-6099 or contact us by email.

Sincerely,

I faxed it again, along with the facsimile pages where I had faxed it previously. Also, I have other cases pending. In addition, I have several checks to clients who are now deceased, and I am unable to locate any address or located any relatives. My letters simply come back with no forwarding address. Thanks bill
