## CHECKLIST FOR BRIEFS

- Briefs and filing requirements are found in the Federal Rules of Appellate Procedure (FRAP) and the Sixth Circuit Local Rules (6 Cir. R.), located on the court's website. File the correct brief *type* (e.g. appellant, appellee, petitioner, respondent, 1<sup>st</sup>, 2d) *only* in the appropriate case. *During filing of the brief, deselect any inapplicable case* in CM/ECF by unchecking the inapplicable case numbers. In cross-appeals, file all briefs in all cases, unless you are a party to only one cross-appeal.
- Appellants filing one notice of appeal must file a single brief unless permission is granted for separate briefs. See FRAP 3(b)(1). Appellants file one reply brief regardless of the number of appellee briefs.
- Redact personal information. FRAP 25(a)(5) and rules cited therein provide guidance.
- File briefs in PDF, preferably searchable native PDF. 6 Cir. R. 25(a)(2); PACER website.
