Appellees Dow Silicones Corporation, the Debtor's Representatives, the Claimants' Advisory Committee, and the Finance Committee ("Appellees") hereby notify this Court that there is a separate appeal that is pertinent to the instant appeal. We seek only to inform the Court of this situation so that the Court may consider these facts.

The instant appeal arises from the district court's denial of a stay of a June 24, 2021 order that is at issue in the separate appeal – *In re Settlement Facility-Dow Corning Trust*, Case No. 21-2665. Case No. 21-2665 is the substantive appeal on the merits of that June 24, 2021 order of the district court, and that separate appeal is fully briefed.

In the instant appeal (Case No. 22-1771), the same Appellants have appealed a district court order denying a motion to stay that same June 24, 2021 order. The instant appeal is partially briefed: the Appellants filed their brief on September 28, 2022 and Respondents filed their brief on November 9, 2022 along with this Notice.

We seek only to bring to the Court's attention the relationship between these two appeals since a decision in one of the appeals could have a bearing on the other appeal.
