DOW CORNING CORPORATION, § '05 AUG -5 P2:05  
§ Hon. Denise Page Hood  
REORGANIZED DEBTOR §

U.S. DIST. COURT CLERK  
EAST DIST. MICH  
DETROIT

**AGREED ORDER TEMPORARILY SUSPENDING ALL CURE DEADLINES**

Numerous motions have been filed by individual Settling Claimants seeking to toll the cure deadlines for their claim(s). The Court heard argument on several of these motions on April 7, 2005 and on July 21, 2005. Additional motions seeking to toll the cure deadlines have been filed by the Claimants' Advisory Committee and other individual Settling Claimants but they have not been fully briefed or argued. In accordance with the Plan Documents and, in particular, Sections 4.09(c) and 5.05 of the Settlement Facility and Fund Distribution Agreement, the Claimants' Advisory Committee and Debtor's Representatives have concluded that it is appropriate to provide a limited suspension of the deadlines to cure deficiencies to enable the Successor Claims Administrator to complete certain quality control and audit reviews. Accordingly, the Claimants' Advisory Committee and Debtor's Representatives hereby agree to and the Court ORDERS the following temporary relief with respect to cure deadlines:

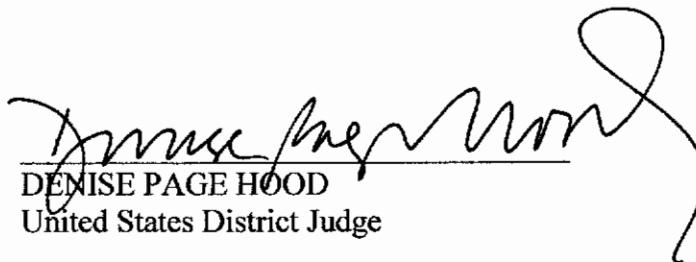

1. All cure deadlines that have run or that will run, up to and including, November 14, 2005, are hereby re-set at November 15, 2005. The expectation is that the Claims Administrator will provide updates to claims review guidelines by September 1, 2005. The Claimants' Advisory Committee and Debtor's Representatives will monitor the Successor Claims Administrator's quality control and audit review, and in the event that the Claimants' Advisory Committee and Debtor's Representatives agree to a further suspension of the cure deadlines, the Claimants'

Advisory Committee and Debtor's Representatives will present an agreed order to that effect before September 1, 2005.

2. The Court will not, during this Temporary Period of Suspension, hear argument on any additional motions for relief from cure deadlines. Motions filed after the Temporary Period of Suspension shall not be deemed untimely. Settling Claimants should continue to take appropriate action to cure any deficiencies noted by the Settlement Facility with their claim(s). The Claims Administrator is directed to inform Claimants affected by this Order of the term of the Order.

This Temporary Period of Suspension does not constitute a Plan modification or change in any way the deadlines specified in the Plan.

Date: **AUG - 5 2005**
