REQUEST FOR VERIFICATION OF SETTLED CLAIM

Dear Counsel,

Our research shows that the above- referenced Claimant was deceased at the time of the March 2008 \$20,000 Rupture Claim payment and the April 2010 \$5,000 Explant Claim payment. The payments sent to your office after the Claimant's death, are cashed.

The SF-DCT did not have prior knowledge of the Claimant's death at the time of the payments. Though we can accept and process claims without the required probate documentation, payment of a claim without proper probate is an **unauthorized payment**. As the Attorney of Record, you are responsible for notifying the SF-DCT of any changes in a claimant's status. Additionally, you are responsible for providing the SF-DCT with copies of the probate/estate documentation necessary to pay claims when the claimant you represent is deceased. Without proper documentation regarding the estate in this matter, all disbursements as well as any potential disputes regarding disbursements, fall short of adequate assurance that the claim has been properly settled.

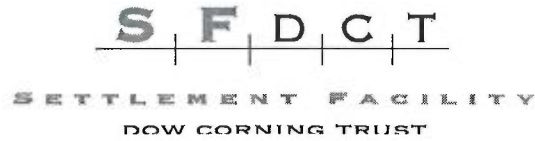

There has been no response from you to our previous requests sent in February 2012 and October 2014 to provide evidence that the claim payment was distributed to a legally authorized representative.

In an attempt to resolve this matter, which has been pending since 2012, please provide the SF-DCT with a copy of any checks sent by your office as settlement of the Claims of . The name and address of the Executor, Administrator or successor for the estate, as well as acceptable probate documents, and copy of the Claimant's death certificate, is also required. If you were unable to locate the person legally entitled to the Claimant's assets, you are legally **required** to return the award for this Claim to the SF-DCT.

Pursuant to the Settlement Facility and Fund Distribution Agreement Article X Section 10.09, all funds in the Settlement Facility are in the custody of the Court until the funds have actually been paid to and received by the Claimant (or a legally authorized recipient).

Sincerely,

Ellen Bearicks
