FINANCE COMMITTEE'S MOTION TO ADJOURN SHOW CAUSE
HEARING REGARDING RODNEY A. KLEIN OF
THE LAW OFFICE OF RODNEY A. KLEIN

The Finance Committee files this motion to adjourn the show cause hearing regarding Rodney A. Klein of the Law Office of Rodney A. Klein (Doc. #1497) currently set for May 9, 2019. The Finance Committee has made numerous attempts to contact Mr. Klein to discuss the SF-DCT's requests and notify him of this proceeding. The Finance Committee is unable to certify that notification was successful. The Finance Committee has also recently conducted research with the State Bar of California and learned that Mr. Klein is no longer eligible to practice law. The Finance Committee requests an adjournment of at least thirty (30) days to continue its effort to notify Mr. Klein of the show cause proceedings. Accordingly, the ends of justice would be served by a brief continuance of the show cause hearing currently set May 9, 2019.
