RE: Case No. 00-cv-00005-DPH
Letter dated 3/24/2007 from David T. Austern

Dear Judge Hood:

This letter to address the Claims Administrator's fax of March 24, 2008. My response to your Order to Show Cause, which I signed on March 8, 2008, included an Accounting of the three (3) former clients of mine that I presumed questioned the dispersals we had agreed to.

To date I have not received any complaints from any other clients then Marilyn Cresci, Margaret Lower, or Susan Ribera. As such, I am unaware of any client of mine who has made a complaint which would waive the Attorney Client privilege. I have attempted to contact the clients listed in the Exhibit you had served on them with the Order to Show Cause. I have only received permission from Terry Steele to talk about our Attorney Client relationship. I attach a copy of her response, as Exhibit A, to this letter as I promised to do in my March 8, 2008 document.

As additional clients give me permission to discuss their cases, I will amend my response. I believe I have given all relevant accountings pursuant to this Court's order.

To be clear, I am unaware of any current clients who have lodged a complaint against me waiving the Attorney Client privilege. If the Claims Administrator has any information different from what I have stated in my declaration of March 8, 2008, then I respectfully request that He provide that information to me and this Court forthwith. Otherwise the Claims Administrator should file his response as previously ordered.

Thank you for your time and consideration to this matter. If I can be of any further assistance, kindly contact me at: 415-602-7577.

Very truly yours,

KEVIN R. McLEAN
