

## **SETTLING INSURERS LIST**

The following is a list of those health insurance plans that have been identified as participating in the settlement. If your health insurance plan is listed, this means that you do not have to reimburse or pay any of your settlement compensation to your insurer. Despite best efforts, the list is not complete so if you do not see your health insurance plan, please call Claims Assistance (1-866-874-6099) and we can make an inquiry for you to the appropriate representative of the health insurers.
