In re: SILICONE GEL BREAST) Master File CV 92-P-10000-S
IMPLANT PRODUCTS LIABILITY)
LITIGATION (MDL-926)) (Applies to cases listed in Appendix)

**ORDER No. 35
(Show Cause Why Duplicate Cases Should Not Be Dismissed without prejudice)**

A review of the names of the first-listed plaintiff according to records of the Judicial Panel on Multidistrict Litigation¹ indicates that the cases listed in the appendix may constitute duplicate cases, typically as a result of multiple removals from state court of the same case that were recorded in the Transferor Court as if separate cases. To the extent this is so, it would appear appropriate to enter dismissals without prejudice of duplicates. For this purpose duplicate cases are those in which the Transferor Court, the last name, and the first name are identical. Accordingly, it is ORDERED:

1. The parties are directed to show cause to this court by October 11, 1996, why the cases listed in the appendix should not be treated as duplicate cases and, if so, why dismissals without prejudice of the duplicate(s) would not be appropriate.

2. The case(s) that would be dismissed without prejudice would be selected as follows: (a) Where one or more of the duplicate cases have been remanded to a federal or state court, the duplicate(s) remaining in this court would be dismissed without prejudice. (b) If none of the duplicate cases has been remanded to a federal or state court, the duplicate with the lowest case number from the Transferor Court would not be dismissed and the duplicate(s) with the higher case number(s) in the Transferor Court would be dismissed without prejudice.

3. This "show cause" order will be filed only in Master File CV 92-P-10000-S. After expiration of the time for indicating objections, a new order will be prepared for docketing and filing in those cases that are to be dismissed without prejudice. Recognizing the possibility of error, the court would retain jurisdiction to reopen, upon motion within one year after entry of the dismissal order, a case upon a showing that it was erroneously treated as a duplicate.

4. Counsel are requested to advise the court if there are other duplicate cases not appearing on this list, in which dismissal without prejudice of duplicates would be appropriate.

This the 23rd day of August, 1996.

¹Note that the first-listed plaintiff according to the Panel's records do not necessarily match the first-listed plaintiff according to the complaint or the first-listed plaintiff according to the records in this court.
