NORTHERN DISTRICT OF ALABAMA
Southern Division**

In re: SILICONE GEL BREAST) Master File CV 92-P-10000-S
IMPLANT PRODUCTS LIABILITY)
LITIGATION (MDL-926)) (Applies to cases listed in Appendix)

**ORDER No. 35A
(Dismissing without prejudice duplicate cases)**

The cases listed in the Appendix, which appear to be duplicates of other cases that have been transferred to this court by the Judicial Panel on Multidistrict Litigation, are, after considering the responses of the parties to Order No. 35, hereby dismissed without prejudice on the following terms and conditions:

1. The dismissal of the listed cases is without prejudice to the rights of the parties in the "duplicate" cases not being dismissed, whether still pending in this court or whether, as a result of remand, now pending in another federal court or in a state court. The pleadings, petitions, notices, and orders previously filed in the listed cases will, however, be treated as also filed in the surviving duplicate cases pending in this court on such issues as the effectiveness or scope of removals from state court. Likewise, if in any of the listed cases there has previously been a dismissal with prejudice of particular claims or defendants, such dismissals may be asserted in the surviving duplicate case (whether pending in this court or in another federal court or in state court) as barring further pursuit of those claims or those defendants.

2. Recognizing the possibility of error in determining which cases are truly "duplicates," this court retains jurisdiction to vacate the dismissal and reopen a case upon motion made within one year from the date of this order (or, if later, within 90 days after remand to federal or state court of the surviving duplicate case), upon a showing that it was erroneously treated as a duplicate or for other good cause shown.

3. This order will be entered and docketed in Master File CV 92-P-10000-S and in each of the cases listed in the Appendix. The entire Appendix will be filed in CV 92-P-10000-S and the appropriate page from the Appendix will be filed in the individual case files. For more convenient reference, the Appendix is produced by listing cases in order of the docket number in this court and in order of the federal transferor district and lead plaintiff name (*Note: on Internet only the listing by transferor district and lead plaintiff's name is provided.*)

This the 16th day of October, 1996.

Chief Judge

Serve: Plaintiffs' Liaison Counsel
Defendants' Liaison Counsel
