**ORDER No. 30G**  
(Amendment to Order No. 30 and 30F)

As reflected in Order No. 30, by prior summary judgment orders made final under Fed. R. Civ. P 54(b), or as a result of bankruptcy orders involving the Bioplasty defendants, all claims against the following companies have been dismissed with prejudice:

Bioplasty, Inc.  
Bio-Manufacturing, Inc.  
Cabot Medical Corporation  
Corning, Inc.  
Foamex Products, Inc.  
General Felt Industries, Inc.  
Knoll International Holdings, Inc.  
Recticel Foam Corporation  
Scotfoam Corporation  
Scott Paper Company  
Surgitek, Inc.  
'21' International Holdings, Inc  
'21' Foam Company, Inc.  
Uroplasty, Inc.

To avoid confusion, the Clerk is directed to file this order in CV 92-P-10000-S and then, in each case now pending in this court in which any of such companies is shown as a party defendant, to make a docket entry cross-referencing this order and terminating such party in that case. Upon a new case being filed in, transferred to, or removed to this court in which any such company is shown as a party, the Clerk should, after opening the case in this court, make a similar docket entry and terminate the party in such case.

"Remand" courts considering motions to intervene after remand under Order 30G should not permit such intervention if any claim is to be made against one of the above companies.

This the 20th day of May, 1997.
