Order No 27K
(Vacating Injunction)

As of September 1, 1997, the injunction against the Settling Defendants respecting certain settlement negotiations, as contained in paragraph 3 of Order No. 27 (approving the Revised Settlement Program) will be vacated. By that date the time for over ninety-nine percent of claimants eligible to participate in the Revised Settlement Program to decide whether to participate in that settlement will have expired and the injunction will have served its purpose.

Special Master Francis E. McGovern is authorized at this time to begin discussions with counsel for plaintiffs and defendants leading to the establishment after September 1, 1997, of a court-sponsored voluntary mediation program.

This the 21st day of July, 1997.
