In re: SILICONE GEL BREAST) Master File CV 92-P-10000-S
IMPLANT PRODUCTS LIABILITY)
LITIGATION (MDL-926)) (Applies to cases listed in Appendix)

**ORDER No. 39
(Show Cause Why Listed Cases Should Not Be Remanded to State Court)**

Pending before the court are motions or letter-requests by plaintiffs or defendants in the cases listed in the appendix to this order, seeking remand to state courts of such cases. Upon consideration, it is ORDERED as follows:

1. All affected parties are directed to show cause in writing to this court by October 6, 1997, why the listed cases should not be remanded to the state courts shown in the appendix subject to the terms and conditions of this order. The parties are expected to be very specific as to any objections (*e.g.*, that federal jurisdiction exists other than solely under the "related to" jurisdiction arising from Dow Corning's bankruptcy proceedings, that there are dispositive motions under submission that can best be determined by this court, or that the plaintiff is unwilling to forgo participation in any appeal relating to the summary judgments recently granted in favor of Union Carbide Corporation and General Electric Company).

Affected parties are requested to provide the court with corrections as to such matters as case numbers, descriptions and locations of state courts, etc.

2. The terms and conditions under which such remands will be effected are as follows:

(a) All claims against Dow Corning Corp. and Dow Corning Wright (including any crossclaims or third-party claims by defendants against Dow Corning Corp. or Dow Corning Wright) will, to the extent not previously dismissed, be severed and not remanded. Such claims will, however, be administratively closed in this court and dismissed without prejudice to the institution and pursuit of such claims in the United States District and Bankruptcy Courts for the Eastern District of Michigan in accordance with procedures established in those courts. This court will, however, retain jurisdiction to vacate such dismissals and reopen such claims against Dow Corning on written motion if filed within 30 days after reorganization proceedings of Dow Corning are dismissed or within 30 days after the Eastern District of Michigan determines that reopening of such cases against Dow Corning is the procedure to be followed in liquidating such claims.

(b) All claims by any party against The Dow Chemical Company, Inc. and Dow Holdings Inc. will, to the extent not previously dismissed or transferred, be severed and transferred to the United States District Court for the Eastern District of Michigan, which will determine whether any of such claims should be remanded (or allowed to proceed in state court as a consequence of federal court abstention).

(c) As explained in Order No. 30 and Order No. 30G, all claims against the following companies have been dismissed with prejudice: Bioplasty, Inc.; Bio-Manufacturing, Inc.; Cabot Medical Corporation; Corning, Inc.; Foamex Products, Inc.; General Felt Industries, Inc.; Knoll

International Holdings, Inc.; Recticel Foam Corporation; Scotfoam Corporation; Scott Paper Company; Surgitek, Inc.; '21' International Holdings, Inc.; '21' Foam Company, Inc.; and Uroplasty, Inc.

(d) Any claims against Mentor Corporation; Mentor Polymer Technologies, Inc.; Mentor O&O, Inc.; Mentor H/S, Inc.; Mentor Urology, Inc.; Mentor International, Inc.; and Teknar Corp. relating to breast implants implanted before June 1, 1993, will be dismissed with prejudice.

(e) All claims against General Electric Company have been dismissed with prejudice pursuant to Order No. 38. The plaintiffs in the remanded cases will be deemed to have disavowed any participation in any appeal that may be initiated and pursued with respect to Order No. 38.

(f) Any claims against Union Carbide Corporation based on its 1990-1992 ownership of McGhan NuSil Corporation will be remanded to the indicated state courts, but may be pursued in state court only upon demonstration that the plaintiffs, if eligible, timely opted out of the original Global Settlement or the Revised Settlement Program provided by that defendant. All other claims against Union Carbide Corporation, as well as all claims against Union Carbide Chemicals and Plastics Company, Inc., have been dismissed with prejudice pursuant to Order No. 37, and the plaintiffs in the remanded cases will be deemed to have disavowed any participation in any appeal that may be initiated and pursued with respect to Order No. 37.

(g) All claims against Bristol-Myers Squibb Co., Medical Engineering Corp., Baxter Healthcare Corp., Baxter International Inc., and Minnesota Mining and Manufacturing Co. ("3M"), and their subsidiaries will be remanded to the indicated state courts, but may be pursued in state court only upon demonstration that the plaintiffs, if eligible, timely opted out of the original Global Settlement or the Revised Settlement Program provided by those defendants.

(h) All claims against Inamed Corp., and McGhan Medical Corp. will be remanded to the indicated state courts, but may be pursued in state court only if those defendants default in payment of their obligations under the Revised Settlement Program or upon demonstration that the plaintiffs, if eligible, timely opted out of the original Global Settlement or the Revised Settlement Program provided by those defendants

(i) All claims against other defendants not described in paragraphs 1(a) through 1(h) above will be remanded to the indicated state courts.

(j) Further proceedings in state courts will be governed, in general and to the extent applicable, by the orders previously entered in MDL 926 and Master File No. CV 92-P-10000-S.

(1) To the extent not inconsistent with state law, the provisions of Order No. 30, Order No. 30F, and Order No. 30G will apply to such further proceedings, except that paragraph 8 of that Order No. 30 and Order No. 13, imposing an assessment on recoveries for "common benefit" services and expenses, will not apply to recoveries by plaintiffs who exercised their initial right to opt out of the *Lindsey* class and whose state-court case was removed to federal court solely under the "related to bankruptcy" jurisdiction.

(2) The deposition testimony of the members of the National Science Panel, appointed under Orders No 31 and 31D, will, when taken, be admissible and usable in the state courts to the same extent as if taken before remand of the case to the state court.

3. This “show cause” order will be filed only in Master File CV 92-P-10000-S. After expiration of the time for indicating objections, a new order will be prepared for docketing and filing in those cases that are directed to be remanded.

4. Plaintiffs who seek a remand to state court, under the terms and conditions specified in this order, of additional cases not listed in the Appendix are requested to submit appropriate motions identifying such cases (including this court's case number, the transferor court and case number, and the state court and case number).

5. Any pending motions or letter-requests for remand to state court of cases not listed in the Appendix (other than motions seeking remand to state courts located in the Northern District of Alabama) are hereby denied, but without prejudice to filing of a new motion under paragraph 4.

This the 26th day of August, 1997.
