## ORDER No. 42A Suggestion of Remand (Federal) No. 4

The undersigned transferee district judge has, after issuing as Order No. 42 a "show cause" directive to the parties and after considering the responses to that Order, concluded that, under Rule 14 of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation ("JPMDL"), it is appropriate that certain transferred actions be remanded to the transferor district courts, and accordingly recommends that the actions listed in the Appendix to this Order be remanded to the indicated transferor courts. Certain conditions, specified in paragraph 2 below, will apply to such cases after remand.

1. If counsel believe that an error has been made in the Appendix, they are instructed to notify the court in writing within thirty (30) days of the date of this order so that this court, if persuaded by the assertion of error, can so notify the JPMDL. The parties are also requested to send to this court a copy of any objections submitted to the JPMDL after the Panel's issuance of a Conditional Remand Order so that this court can advise the Panel of its views regarding such objections.

2. The terms and conditions under which such remands, if ordered by the JPMDL, will be effected are as follows:

(a) All claims against Dow Corning Corp. and Dow Corning Wright (including any crossclaims or third-party claims by defendants against Dow Corning Corp. or Dow Corning Wright) will, to the extent not previously dismissed, be severed and not remanded. Such claims will, however, be administratively closed in this court and dismissed without prejudice to the institution and pursuit of such claims in the United States District and Bankruptcy Courts for the Eastern District of Michigan in accordance with procedures established in those courts. This court will, however, retain jurisdiction to vacate such dismissals and reopen such claims against Dow Corning on written motion if filed within 30 days after reorganization proceedings of Dow Corning are dismissed or within 30 days after the Eastern District of Michigan determines that reopening of such cases against Dow Corning is the procedure to be followed in liquidating such claims.

(b) All claims by any party against The Dow Chemical Company, Inc. and Dow Holdings Inc. will, to the extent not previously dismissed or transferred, be severed and transferred to the United States District Court for the Eastern District of Michigan. Any requests for transfer of such claims to another federal court or for remand of such claims to state court will be determined by the Eastern District of Michigan.

(c) As explained in Order No. 30 and Order No. 30G, all claims against the following

companies have been dismissed with prejudice: Bioplasty, Inc.; Bio-Manufacturing, Inc.; Cabot Medical Corporation; Corning, Inc.; Foamex Products, Inc.; General Felt Industries, Inc.; Knoll International Holdings, Inc.; Recticel Foam Corporation; Scottfoam Corporation; Scott Paper Company; Surgitek, Inc.; '21' International Holdings, Inc; '21' Foam Company, Inc.; and Uroplasty, Inc.

(d) Any claims against Mentor Corporation; Mentor Polymer Technologies, Inc.; Mentor O&O, Inc.; Mentor H/S, Inc.; Mentor Urology, Inc.; Mentor International, Inc.; and Teknar Corp. relating to breast implants implanted before June 1, 1993, will be dismissed with prejudice.

(e) All claims against General Electric Company have been dismissed with prejudice pursuant to Order No. 38.

(f) Any claims against Union Carbide Corporation based on its 1990-1992 ownership of McGhan NuSil Corporation will be remanded to the indicated transferor court, but will be subject to dismissal by such court as to any plaintiff who, though eligible, failed to timely opt out of the Revised Settlement Program. All other claims against Union Carbide Corporation, as well as all claims against Union Carbide Chemicals and Plastics Company, Inc., have been dismissed with prejudice pursuant to Order No. 37.

(g) All claims against Bristol-Myers Squibb Co., Medical Engineering Corp., Baxter Healthcare Corp., Baxter International Inc., Minnesota Mining and Manufacturing Co. ("3M"), and their subsidiaries will be remanded to the indicated transferor court, but will be subject to dismissal by such court as to any plaintiff who, though eligible, failed to timely opt out of the Revised Settlement Program.

(h) All claims against Inamed Corp. and McGhan Medical Corp. will be remanded to the indicated transferor court. Plaintiffs are, however, alerted to the possibility that this court may in the future enjoin the prosecution of such claims in conjunction with consideration of a request for a mandatory Rule 23(b)(1) class certification involving such claims.

(i) All claims against Koken Co., Ltd., wil be severed and dismissed. Any plaintiff objecting to this dismissal shall notify this court within 30 days from the date of this order.

(j) All claims against other defendants not described in paragraphs 2(a) through 2(i) above will be remanded to the indicated federal courts.

(k) Further proceedings in the transferor courts will be governed, in general and to the extent applicable, by the orders previously entered in MDL 926 and Master File No. CV 92-P-10000-S.

(1) Each plaintiff must, within 60 days after remand, serve upon the defendants in the case a completed questionnaire as previously prescribed by this court. This requirement does not apply if the plaintiff has previously served such a questionnaire on the defendants (or previously answered interrogatories seeking similar information) and such information is accurate and complete.

(2) Any motions for transfer under 28 U.S.C. § 1404 or § 1406, or for remand to state court, will be decided by the transferor court after remand.

(3) The provisions of Order No. 30, Order No. 30F, and Order No. 30G will apply to such further proceedings, including paragraph 8 of Order No. 30 which imposes an assessment on recoveries for "common benefit" services and expenses.

(4) The temporary injunction against certain settlement discussions, previously entered by this court, was vacated effective September 1, 1997.

(5) The deposition testimony of the members of the National Science Panel, appointed under Orders No 31 and 31D, will, when taken, be admissible and usable to the same extent as if taken before remand of the case.

(6) This court has previously transmitted to many of the courts to which cases are being remanded a copy of Order No. 30 and the various orders listed in Appendix A to Order No. 30 with which the courts should be made aware. The parties in the remanded cases are directed to ascertain from the courts whether such courts have previously received such orders and, if not, to contact the Clerk of this court to obtain, for transmittal to the remand courts, a "package" of such orders. Later orders of general interest would include Order No. 31\* (National Science Panel), Order No. 36 (on-going studies), Order No. 37 (partial summary judgment for Union Carbide), Order No. 38 (summary judgment for General Electric). These orders, including the stipulation regarding objections to documents and the appendices to that stipulation, can also be obtained through the Internet at www.fjc.gov/BREIMLIT/mdl926.htm.

3. This order will be filed in Master File CV 92-P-10000-S and, after receiving from the Clerk of the Judicial Panel on Multidistrict Litigation an order of remand, will be filed (without the appendix) in each of the cases ordered remanded.

This the 14th day of April, 1998.
