SILICONE GEL BREAST IMPLANTS)	
PRODUCTS LIABILITY LITIGATION)	This document relates to the cases
(MDL 926))	listed in the appendix to this order

ORDER No. 53B

Remand to Transferor Courts

Pursuant to the remand order of the Judicial Panel on Multidistrict Litigation dated September 24, 1999, the cases listed in the appendix to this order are hereby remanded to the Transferor Courts shown in the appendix subject to the following terms and conditions:

(a) All claims against Dow Corning Corp. and Dow Corning Wright (including any crossclaims or third-party claims by defendants against Dow Corning Corp. or Dow Corning Wright) are, to the extent not previously dismissed, severed and not remanded. Such claims are, however, administratively closed in this court and dismissed without prejudice to the institution and pursuit of such claims in the United States District and Bankruptcy Courts for the Eastern District of Michigan in accordance with procedures established in those courts. This court will, however, retain jurisdiction to vacate such dismissals and reopen such claims against Dow Corning on written motion if filed within 30 days after reorganization proceedings of Dow Corning are dismissed or within 30 days after the Eastern District of Michigan determines that reopening of such cases against Dow Corning is the procedure to be followed in liquidating such claims.

(b) All claims by any party against The Dow Chemical Company, Inc. and Dow Holdings Inc. are, to the extent not previously dismissed or transferred, severed and transferred to the United States District Court for the Eastern District of Michigan. Any requests for transfer of such claims to another federal court or for remand of such claims to state court will be determined by the Eastern District of Michigan.

(c) All claims by any party against McGhan Medical Corp., INAMED Corp., CUI Corp., Cox Uphoff and their subsidiaries and principals are, to the extent not previously dismissed, severed and administratively closed, without prejudice to the pursuit of such claims in the class settlement of such claims (and with the same rights under any such settlement as if they still had a pending lawsuit against such companies and individuals).

(d) All claims against the following companies have been dismissed with prejudice through unappealed final judgments: Bioplasty, Inc.; Bio-Manufacturing, Inc.; Cabot Medical Corporation; Corning, Inc.; Foamex Products, Inc.; General Electric Co.; General Felt Industries, Inc.; Huls America Inc.; Knoll International Holdings, Inc.; Petrarch Systems, Inc.; Recticel Foam Corporation; Scotfoam Corporation; Scott Paper Company; Surgitek, Inc.; '21' International Holdings, Inc; '21' Foam Company, Inc.; and Uroplasty, Inc.

(e) All listed claims against Mentor Corporation; Mentor Polymer Technologies, Inc.; Mentor O&O, Inc.; Mentor H/S, Inc.; Mentor Urology, Inc.; Mentor International, Inc.; and Teknar Corp. relating to breast implants implanted before June 1, 1993, are dismissed with prejudice.

(f) All listed claims against Union Carbide Corporation are, to the extent based on its 1990-1992 ownership of McGhan NuSil Corporation, remanded to the indicated transferor court, but will be subject to dismissal by such court as to any plaintiff who, though eligible, failed to timely opt out of the Revised Settlement Program. All other claims against Union Carbide Corporation, as well as all claims against Union Carbide Chemicals and Plastics Company, Inc., have been dismissed with prejudice pursuant to Order No. 37.

(g) All claims against Bristol-Myers Squibb Co., Medical Engineering Corp., Baxter Healthcare Corp., Baxter International Inc., Minnesota Mining and Manufacturing Co. ("3M"), and their subsidiaries are, if listed in the appendix, remanded to the indicated transferor court, but will be subject to dismissal by such court as to any plaintiff who, though eligible, failed to timely opt out of the Revised Settlement Program. Previously-pending claims against those companies, if not listed in the appendix, are dismissed (subject to the right to reopen to the extent permitted under the terms of the Revised Settlement Program should a participating defendant default in meeting its financial obligations under that settlement).

(h) All claims against other defendants not described in paragraphs (a) through (g) above are, if listed in the appendix, remanded to the indicated federal courts, or, if not listed in the appendix, are dismissed.

(i) Further proceedings in the transferor courts after remand will be governed, in general and to the extent applicable, by the orders previously entered in MDL 926 and Master File No. CV 92-P-10000-S.

(1) Each plaintiff must, within 60 days after remand, serve upon the defendants in the case a completed questionnaire as previously prescribed by this court. This requirement does not apply if the plaintiff has previously served such a questionnaire on the defendants (or previously answered interrogatories seeking similar information) and such information is accurate and complete.

(2) Any motions for transfer under 28 U.S.C. § 1404 or § 1406, or for remand to state court, will be decided by the transferor court after remand.

(3) The provisions of Order No. 30, Order No. 30F, and Order No. 30G will apply to such further proceedings, including paragraph 8 of Order No. 30 which imposes an assessment on recoveries for "common benefit" services and expenses.

(4) The deposition testimony of the members of the National Science Panel, appointed under Orders No 31 and 31D, will be admissible and usable to the same extent as if taken, with proper notice, in the remand court.

(5) This court has previously transmitted to many of the courts to which cases are being remanded a copy of Order No. 30 and the various orders listed in Appendix A to Order No. 30 with which the courts should be made aware. The parties in the remanded cases are directed to ascertain from the courts whether such courts have previously received such orders and, if not, to contact the Clerk of this court to obtain, for transmittal to the remand courts, a "package" of such orders. Later orders of general interest would include Order No. 31* (National Science Panel), Order No. 36 (on-going studies), Order No. 37 (partial summary judgment for Union Carbide), Order No. 38 (summary judgment for General Electric). These orders, including the stipulation regarding objections to documents and the appendices to that stipulation, can also be obtained through the Internet at www.fjc.gov/BREIMLIT/mdl926.htm.

(6) Any order or docket entry reflecting the designation of Plaintiffs' Liaison Counsel or Defendants' Liaison Counsel as attorneys of record in any of these cases are hereby vacated.

(7) Any motion, stipulation, etc. to be filed in any of the remanded cases after this date should not be filed in this court but should be filed in the transferor court after it has received the file from the clerk of this court.

This order will be filed in Master File CV 92-P-10000-S and (with the applicable page of the appendix) in each of the cases listed in the appendix.

This the 28th day of September, 1999.

/s/ Sam C. Pointer, Jr.

Chief Judge Sam C. Pointer, Jr.

Service: Plaintiffs' Liaison Counsel
Defendants' Liaison Counsel
