SILICONE GEL BREAST IMPLANTS)	
PRODUCTS LIABILITY LITIGATION)	This document relates to the cases
(MDL 926))	listed in the appendix to this order

**ORDER No. 57
Directing Submission of Reports regarding Settlement**

The court has previously been advised, formally or informally, that settlements either had been agreed to or were in the process of being negotiated in the cases listed in the appendix to this order. These cases, however, appear to be still pending according to the records of this court. The parties—plaintiffs and defendants—are hereby directed to report in writing to the court by January 31, 2000, the status of settlement discussions (or to indicate what other action by the court would be more appropriate, such as administrative closing or remand). These reports should be sent to the undersigned in chambers (rather than filed with the Clerk, unless the response is in the form of a stipulation for dismissal or proposed judgment).

Please note that the listing of attorney/pro se party namecodes is not complete, particularly with respect to attorneys representing defendants.

This order will be docketed and filed only in CV92-P-10000.

This the 23rd day of December, 1999.

/s/ Sam C. Pointer, Jr.
U. S. District Judge

Serve: Plaintiffs' Liaison Counsel
Defendants' Liaison Counsel
Counsel/pro se parties shown on the appendix
