**ORDER No. 60A
Remand to Transferor Courts**

Pursuant to the remand order of the Judicial Panel on Multidistrict Litigation entered May 5, 2000, and received by the Clerk of this court on May 25, 2000, the cases listed in the appendix A to this order are hereby remanded to the Transferor Courts shown in the appendix subject to the following terms and conditions:

(a) All claims against Dow Corning Corp. and Dow Corning Wright (including any crossclaims or third-party claims by defendants against Dow Corning Corp. or Dow Corning Wright) will, to the extent not previously dismissed, be severed and not remanded. Such claims will, however, be administratively closed in this court and dismissed without prejudice to the institution and pursuit of such claims in the United States District and Bankruptcy Courts for the Eastern District of Michigan in accordance with procedures established in those courts. This court will, however, retain jurisdiction to vacate such dismissals and reopen such claims against Dow Corning on written motion if filed within 30 days after reorganization proceedings of Dow Corning are dismissed or within 30 days after the Eastern District of Michigan determines that reopening of such cases against Dow Corning is the procedure to be followed in liquidating such claims.

(b) All claims by any party against The Dow Chemical Company, Inc. and Dow Holdings Inc. will, to the extent not previously dismissed or transferred, be severed and transferred to the United States District Court for the Eastern District of Michigan. Any requests for transfer of such claims to another federal court or for remand of such claims to state court will be determined by the Eastern District of Michigan.

(c) All claims against the following companies have been dismissed with prejudice through un-appealed final judgments: Bioplasty, Inc.; Bio-Manufacturing, Inc.; Cabot Medical Corporation; Corning, Inc.; Cox Uphoff; CUI Corp.; Foamex Products, Inc.; General Electric Co.; General Felt Industries, Inc.; Huls America Inc.; Knoll International Holdings, Inc.; McGhan Medical Corp.; INAMED Corp.; Petrarch Systems, Inc.; Recticel Foam Corporation; Scotfoam Corporation; Scott Paper Company; Surgitek, Inc.; '21' International Holdings, Inc.; '21' Foam Company, Inc.; and Uroplasty, Inc.

(d) All listed claims against Mentor Corporation; Mentor Polymer Technologies, Inc.; Mentor O&O, Inc.; Mentor H/S, Inc.; Mentor Urology, Inc.; Mentor International, Inc.; and Teknar Corp. relating to breast implants implanted before June 1, 1993, will be dismissed with prejudice.

(e) All listed claims against Union Carbide Corporation will, to the extent based on its 1990-1992 ownership of McGhan NuSil Corporation, be remanded to the indicated transferor court, but will be subject to dismissal by such court as to any plaintiff who, though eligible, failed to timely opt out of the Revised Settlement Program. All other claims against Union Carbide Corporation, as well as all claims against Union Carbide Chemicals and Plastics Company, Inc., have been dismissed with prejudice pursuant to Order No. 37.

(f) All claims against Bristol-Myers Squibb Co., Medical Engineering Corp., Baxter Healthcare Corp., Baxter International Inc., Minnesota Mining and Manufacturing Co. ("3M"), and their subsidiaries will, if listed in the appendix, be remanded to the indicated transferor court, but will be subject to dismissal by such court as to any plaintiff who, though eligible, failed to timely opt out of the Revised Settlement Program. Previously-pending claims against those companies, if not listed in the appendix, will be dismissed (subject to the right to reopen to the extent permitted under the terms of the Revised Settlement Program should a participating defendant default in meeting its financial obligations under that settlement).

(g) All claims against other defendants not described in paragraphs 2(a) through 2(f) above will, if listed in the appendix, be remanded to the indicated federal courts, or, if not listed in the appendix, will be dismissed.

(h) For some cases, the appendix indicates that the case is suggested for remand against indicated defendants only with respect to indicated plaintiffs. Where this is indicated, the claims of any other plaintiffs in the case, if not previously dismissed, will be severed and then dismissed and administratively closed, rather than remanded.

(i) Further proceedings in the transferor courts will be governed, in general and to the extent applicable, by the orders previously entered in MDL 926 and Master File No. CV 92-P-10000-S.

(1) Each plaintiff must, within 60 days after remand, serve upon the defendants in the case a completed questionnaire as previously prescribed by this court. This requirement does not apply if the plaintiff has previously served such a questionnaire on the defendants (or previously answered interrogatories seeking similar information) and such information is accurate and complete.

(2) Any motions for transfer under 28 U.S.C. § 1404 or § 1406, or for remand to state court, will, if not ruled upon by this court before remand, be decided by the transferor court after remand. If any such motions are granted by this court, the JPMDL will be notified so that the case can be removed from the list of those to be remanded to transferor courts.

(3) The provisions of Order No. 30, Order No. 30F, and Order No. 30G will apply to such further proceedings, including paragraph 8 of Order No. 30 which imposes an assessment on recoveries for "common benefit" services and expenses. (Please note that under Order 13A the amount of the assessment has been reduced to 4% of the gross amount recovered.)

(4) The deposition testimony of the members of the National Science Panel, appointed under Orders No 31 and 31D, will be admissible and usable to the same extent as other depositions taken on proper notice in these cases.

4. This order will be filed in Master File CV 92-P-10000-S and posted on the webpage.

This the 30th day of May, 2000.
