| DOW CORNING CORPORATION, | § | |

| Reorganized Debtor | § | |

**AGREED ORDER AUTHORIZING AND DIRECTING FILING OF
PROOF OF CLAIM TO BE DEEMED TIMELY FILED**

Pursuant to the Procedures for Determining Status of Late Claimants and Late Claim Requests (the “Procedures”), annexed as Exhibit A to the Court’s Order Establishing Procedures to Determine Status of Late Claimants, and the agreement of the Debtor’s Representatives and the Claimants’ Advisory Committee, it is hereby ORDERED as follows:

1. The Late Claim Request, as defined in the Procedures, filed by Edward English (the “Claimant”) is hereby GRANTED:

2. The Claimant is hereby AUTHORIZED AND DIRECTED to complete and file an Implant Proof of Claim, in the form to be provided to the Claimant, with the **Bankruptcy Clerk, 111 First Street, Bay City, Michigan, 48708**, and (b) mail a copy of his completed Implant Proof of Claim to: **David Austern, SF-DCT, P.O. Box 52429, Houston, Texas 77052-2429**. **The Claimant’s Implant Proof of Claim will be deemed timely for all purposes if it is received by the Bankruptcy Clerk within forty-five (45) days after the date of this Order. If the Bankruptcy Clerk does not receive the Claimant’s Implant Proof of Claim within forty-five (45) days after the date of this Order, the Claimant’s Late Claim Request shall be denied with prejudice (that is, permanently) without further order of the Court.**

3. Upon filing an Implant Proof of Claim as directed in the preceding paragraph, the Claimant shall be a Settling Personal Injury Claimant in Class 9 under the Amended Joint Plan of Reorganization (the “Plan”) and shall be eligible to participate in the Settlement Facility-Dow Corning Trust (“SF-DCT”) only as a Class 9 claimant. This Agreed Order shall not grant the Claimant status as a timely claimant in any Plan class other than Class 9. If the SF-DCT determines

that the Claimant's claim is properly classified in a Plan class other than Class 9, or if the Claimant has a separate late claim in a Plan class other than Class 9, the Claimant shall be considered a late claimant with respect to such Plan class or other claim and the SF-DCT shall not issue any payment to the Claimant without further order from the Court that establishes (in accordance with the Procedures) the Claimant's timely status with respect to such Plan class or other claim.

4. Within five (5) days after the entry of this Order, the Debtor's Representatives shall serve a copy of this Order upon (a) the Claimant's counsel and (b) the Claims Administrator of the SF-DCT. Within ten (10) days after the Claims Administrator receives a copy of the Claimant's Implant Proof of Claim, filed as directed in paragraph 2 above, the SF-DCT shall send the Claimant's counsel a Class 9 claim package and a notice that such Implant Proof of Claim will be deemed timely and eligible for processing according to the procedures applicable to all other timely Class 9 Implant Proofs of Claim under the Plan, the Plan Documents, and all relevant Court orders.

5. For the Claimant to be eligible to receive compensation as a Class 9 claimant, the SF-DCT must receive the Claimant's Class 9 Claim Form(s), Proof of Manufacturer and all supporting documentation no later than one hundred eighty (180) days after the SF-DCT sends a Class 9 claim package to the Claimant's counsel as directed in paragraph 4 above.
