SECOND NOTICE OF FILING DEADLINE

Attention Persons Who First Contacted The U.S. District Court for the Eastern District of Michigan After June 1, 2007 Asking To Participate In The Dow Corning Case:

You sent a letter to the United States District Court for the Eastern District of Michigan (“the District Court”) dated after June 1, 2007 and received after June 5, 2007 asking that you be permitted to participate in the Dow Corning case. According to the Settlement Facility’s records, you are not a Timely Filed Claimant or a Settling Late Claimant, and therefore you are not eligible to participate in the Settlement Fund.

The District Court entered an Order that applies to your request. A copy of the Order is enclosed. **Please read the Order carefully because it affects your legal rights and has a deadline for you to respond.**

The Order states that all late claims dated after June 1, 2007 or received by the Court after June 5, 2007 are **presumptively without merit**. This applies to you because your request was dated after June 1, 2007 and received after June 5, 2007. If you can document **rare, unique and extraordinary circumstances** why your request to participate in the Settlement Fund was not timely and you wish to respond to this Order and pursue a late claim request, then you must submit a written response to the District Court within 15 days of the date of this Notice, or by **July 7, 2009**. The District Court’s address is:

U.S. District Court
Clerk’s Office – Dow Corning Litigation Unit
231 W. Lafayette, 5th Floor
Detroit, MI 48226

Submissions to the District Court are part of the public record which means that your name and information and any documents you sent to the court will not be kept confidential.

If you wish to discontinue with this process and voluntarily dismiss your late claim request, please write a letter stating that and send it to the District Court at the above address.
