Honorable Denise Page Hood

ORDER DISMISSING CASES

On May 1, 2018, the Court signed a Stipulation and Order to Show Legal Support and Cause Why Requests to File a Late Claim in the Dow Corning Settlement Facility Should Not be Dismissed. (5/1/18 Order, Doc. No. 1414) The Claimant/Appellant was required to submit a written response to demonstrate excusable neglect, such as rare, unique and extraordinary circumstances that give cause why the Court should not dismiss the late claim request. The Claimant/Appellant was given 15 days from the date of the Notice to submit a written response. The Order indicated that the late claim request would be dismissed unless a written response was submitted. (5/1/18 Order, p. 2) The time to file a response has passed. To date, each Claimant/Appellant on the attached list has not filed a response to the Order to Show Cause.

Accordingly,

IT IS ORDERED that the late claim request by the Claimant/Appellant set forth

in the attached list is DISMISSED with prejudice. The Claimant/Appellant is not entitled to submit any claim before the Settlement Facility-Dow Corning Trust.
