Each

holder of an Allowed Class 4 Claim will receive, as payment in full, on or as soon as practicable following the Effective Date, or if later, the Allowance Date, payment of its Class 4 Claim in full in cash.

In the event the Court determines that the treatment of Class 4 does not satisfy the requirements of either section 1129(a)(7) or 1129(b) (in the event confirmation is sought pursuant to section 5.18 of this Plan) of the Bankruptcy Code, the Proponents shall propose amendments to the Plan to ensure its compliance with the applicable requirements of section 1129 of the Bankruptcy Code, and thereafter request confirmation of the Plan, as amended. If any such case is settled prior to decision on appeal, the Reorganized Debtor shall receive a credit as payments are made against its obligations under the Funding Payment Agreement for all amounts paid by it in respect of such Claims. The limited modification of the post-confirmation injunction provided above shall not otherwise affect or limit the effect of the release and injunction provisions of sections 8.3 through 8.5 of the Plan.

All Breast Implant Users are eligible to receive, subject to the qualification criteria: (i) either (a) an expedited payment, for which the only qualification criterion is the use of a Dow Corning Breast Implant, or (b) a payment for specified eligible disease/disability (in accordance with the schedule of symptoms and conditions in the Settlement Facility's "**Grid**," and (ii) an explant payment and/or (iii) a rupture payment. Breast Implant Claimants qualifying for payment under the Grid are entitled to apply for an additional payment (the "**Increased Severity Payment**") from the Settlement Facility.

5.4.1.2 **Other Products Users.** Other Products Users with Covered Other Products Claims are eligible for two mutually exclusive compensation options: (i) an expedited payment or (ii) a payment for specified eligible medical conditions in accordance with the schedule of symptoms and conditions in the Grid. Other Products Users who receive payments based on the Grid may, depending on their particular symptoms and conditions, be eligible for a supplemental payment if funds are available within the \$36 million (Net Present Value) fund dedicated to settlement of Other Products Personal Injury Claims. Other Products Users whose Claims do not arise from Covered Other Products will have their Claims treated and paid, to the extent Allowed, through the Litigation Facility.

5.4.1.3 **Silicone Material Claims.** Claimants with Silicone Material Claims in Class 7, whose Non-Dow Corning Breast Implants were manufactured in the United States with medical grade gel systems purchased from Dow Corning, shall receive payment from a \$57.5 million (Net Present Value) fund allocated as provided in the

Settlement Facility Agreement. (Breast Implant Claimants and Other Products Claimants are not eligible for compensation as a Silicone Material Claimant.)

5.4.1.4 **Family Member Claims.** The Claims of family members of a Personal Injury Claimant are comprised of the Consortium Claims and the Children Direct Claims. The treatment of a Personal Injury Claimant (referred to as the “**Primary Claimant**”) who is a Breast Implant User, an Other Products User or a Non-Dow Corning Breast Implant User under this Plan shall be cumulative of the Consortium Claims of any spouse, child or other individuals related to, or who have some other personal relationship with the Primary Claimant. The Consortium Claims of such related parties shall be governed by the election to settle or litigate made by, and shall be deemed released by the treatment afforded the Claims of, the Primary Claimants under the Plan.

Children Direct Claims shall not be affected by the election of the Primary Claimant to settle through the Settlement Facility, but shall be treated in the Litigation Facility pursuant to the terms of the Litigation Facility Agreement and the holders of Children Direct Claims shall be deemed Non-Settling Personal Injury Claimants.

Settling Personal Injury Claimants shall (i) not be subject to the litigation conducted in accordance with the terms of the Litigation Facility Agreement, (ii) be entitled to the payment under the settlement option(s) for which they qualify irrespective of any otherwise adverse determination in the Litigation Protocol, and (iii) be deemed to have waived or modified their rights in litigation, including the right to trial by jury, as provided in the Settlement Facility Agreement.

5.4.2 **Treatment of Non-Settling Personal Injury Claimants.** Non-Settling Personal Injury Claimants, including all Miscellaneous Raw Material Implant Personal Injury Claimants in Class 8, parties asserting Claims related to non-Covered Other Products, and all Children Direct Claimants, shall have their Claims and Assumed Third

Party Claims resolved under the terms of the Litigation Facility Agreement and the related Case Management Order(s). Each Non-Settling Personal Injury Claimant shall (a) be subject to the Litigation Protocol and (b) not receive any payment if (and to the extent) the Claim is disallowed pursuant to the litigation procedures constituting the Litigation Protocol. All Non-Settling Personal Injury Claimants shall retain the right to adjudicate their Claim through litigation (including trial by jury), subject, however, to the provisions of the Plan and the Litigation Facility Agreement.

5.5 **Treatment of Class 6A.** Claimants in Class 6A shall be treated as follows:

5.5.1 **Treatment of Quebec Class Action Settlement Claimants.** Claimants in Class 6A shall receive payment of their Claims pursuant to the Quebec Breast Implant Settlement Agreement from the Quebec Class Action Fund administered by a claims administrator under the direct supervision of the court of Quebec in which such action is pending. The Reorganized Debtor shall receive a credit as payments are made against its obligations under the Funding Payment Agreement for all amounts paid by it to the Quebec Class Action Fund. The Class 6A Claims will be paid pursuant to a grid contained in the Quebec Breast Implant Settlement Agreement, approved by the Quebec court, which is generally consistent with the treatment of other Class 6.1 Claimants and of the Claimants in Classes 6B, 6C and 6D. Claimants in Class 6A shall (a) not be subject to the Disease Litigation Protocol, (b) be entitled to the payment under the Quebec Breast Implant Settlement Agreement irrespective of any otherwise adverse determination in the Litigation Protocol, and (c) be deemed to have waived or modified their rights in litigation, including the right to trial by jury.

Class 6A Claimants who have timely opted out of the class action in Quebec shall become Class 6.1 Claimants under this Plan. In the event the Quebec Breast Implant

Settlement Agreement is not approved by the Court, Class 6A Claimants shall be treated as Class 6.1 Claimants under this Plan.

5.5.2 **Treatment of Claims of Family Members of Quebec Class Action Settlement Claimants.** Immediate family members of a Quebec Class Action Settlement Claimant who have themselves timely filed proofs of claim in this Case shall litigate the allowability of their Claims under the terms of the Litigation Facility Agreement.

5.6 **Treatment of Class 6B.** Claimants in Class 6B shall be treated as follows:

5.6.1 **Treatment of Ontario Class Action Settlement Claimants.** Claimants in Class 6B shall receive payment of their Claims pursuant to the Ontario Breast Implant Settlement Agreement from the Ontario Class Action Fund administered by a claims administrator under the direct supervision of the court of Ontario in which such action is pending. The Reorganized Debtor shall receive a credit as payments are made against its obligations under the Funding Payment Agreement for all amounts paid by it to the Ontario Class Action Fund. The Class 6B Claims will be paid pursuant to a grid contained in the Ontario Breast Implant Settlement Agreement, approved by the Ontario court, which is generally consistent with the treatment of other Class 6.1 Claimants and of the Claimants in Classes 6A, 6C and 6D. Claimants in Class 6B shall (a) not be subject to the Disease Litigation Protocol, (b) be entitled to the payment under the Ontario Breast Implant Settlement Agreement irrespective of any otherwise adverse determination in the Litigation Protocol, and (c) be deemed to have waived or modified their rights in litigation, including the right to trial by jury.

Class 6B Claimants who timely opted out of the class action in Ontario and who have not timely elected to become Ontario Class Action Settlement Claimants shall be treated as Class 6.1, 7 or 8 Claimants, as applicable, under this Plan. In the event the

Ontario Breast Implant Settlement Agreement is not approved by the Court, the Class 6B Claimants shall be treated as Class 6.1, 7 or 8 Claimants under this Plan, as applicable.

5.6.2 **Treatment of Claims of Family Members of Ontario Class Action Settlement Claimants.** The Ontario Breast Implant Settlement Agreement provides for resolution of the Claims of Family Members. Family Member Claims will be resolved out of the payments to the Ontario Class Action Fund. The Claims of such Family Members shall be deemed released by the treatment under the Ontario Breast Implant Settlement Agreement.

5.7 **Treatment of Class 6C.** Claimants in Class 6C shall be treated as follows:

5.7.1 **Treatment of B.C. Class Action Settlement Claimants.** Claimants in Class 6C shall receive payment of their Claims pursuant to the B.C. Class Action Settlement Agreement from the B.C. Class Action Fund administered by a claims administrator under the direct supervision of the court of British Columbia in which such action is pending. The Reorganized Debtor shall receive a credit as payments are made against its obligations under the Funding Payment Agreement for all amounts paid by it to the B.C. Class Action Fund. The Class 6C Claims will be paid pursuant to a grid contained in the B.C. Class Action Settlement Agreement, approved by the British Columbia court, which is generally consistent with the treatment of other Class 6.1 Claimants and of the Claimants in Classes 6A, 6B and 6D. Claimants in Class 6C shall (a) not be subject to the Litigation Protocol, (b) be entitled to the payment under the B.C. Class Action Settlement Agreement irrespective of any otherwise adverse determination in the Litigation Protocol, and (c) be deemed to have waived or modified their rights in litigation, including the right to trial by jury.

Potential Class 6C Claimants who either (i) are residents of British Columbia and timely opt out of the B.C. Class Action or (ii) are residents of Canadian provinces other

than British Columbia, Quebec or Ontario and do not timely opt to be included as a Settlement Class Member in the B.C. Class Action shall be treated as Class 6.1 or 8 Claimants, as applicable, under this Plan.

If, in the view of Dow Corning, the number of opt-outs is excessive or the number of opt-ins is insufficient, it may withdraw from the settlement. In the event Dow Corning withdraws from the settlement or the B.C. Class Action Settlement Agreement is not approved by the British Columbia court or by the Court, the Class 6C Claimants shall be treated as Class 6.1, 7 or 8 Claimants under this Plan, as applicable.

5.7.2 **Treatment of Family Member Claims Related to Class 6C Claims.** The treatment of Claims in Class 6C shall be cumulative of the treatment of Family Member Claims related thereto, and the Claims of such Family Members shall be deemed released by the treatment of Class 6C Claimants under the B.C. Class Action Settlement Agreement.

5.8 **Treatment of Class 6D.** Claimants in Class 6D shall be treated as follows:

5.8.1 **Treatment of Australia Breast Implant Settlement Claimants.** Claimants in Class 6D shall receive payment of their Claims pursuant to the Australia Breast Implant Settlement Option from the Australia Breast Implant Optional Settlement Fund administered by a claims administrator supervised by Trustees appointed pursuant to the Australia Breast Implant Settlement Option. The Reorganized Debtor shall receive a credit as payments are made against its obligations under the Funding Payment Agreement for all amounts paid by it to the Australia Breast Implant Optional Settlement Fund. The Class 6D Claims will be paid in a manner which is generally consistent with the treatment of other Class 6.1 Claimants and of the Claimants in Classes 6A, 6B and 6C. Claimants in Class 6D shall (a) not be subject to the Litigation Protocol, (b) be entitled to the payment under the Australia Breast Implant Settlement Option irrespective

of any otherwise adverse determination in the Litigation Protocol, and (c) be deemed to have waived or modified their rights in litigation, including the right to trial by jury.

Class 6D Claimants who fail to timely elect to participate as Australia Breast Implant Settlement Claimants on the ballot provided to such Claimants shall be treated as Class 6.1, 7 or 8 Claimants, as applicable, under this Plan.

If (i) the level of elections by potential Class 6D Claimants fails to reach agreed minimum participation levels, or (ii) the Court declines to approve the Australia Breast Implant Settlement Option, the Claimants who have elected to participate as Class 6D Claimants shall be treated as Class 6.1, 7 or 8 Claimants under this Plan, as applicable.

5.8.2 **Treatment of Family Member Claims Related to Class 6D Claims.** The treatment of Claims in Class 6D shall be cumulative of the treatment of Family Member Claims related thereto, and the Claims of such Family Members shall be deemed released by the treatment of Class 6D Claimants under the Australia Breast Implant Settlement Option.

5.9 **Funding the Settlement Facility, the Litigation Facility, the Quebec Class Action Fund, the Ontario Class Action Fund, the B.C. Class Action Fund and the Australia Breast Implant Optional Settlement Fund for Payment of Personal Injury Claims.** The Settlement Facility, the Litigation Facility, the Quebec Class Action Fund, the Ontario Class Action Fund, the B.C. Class Action Fund and the Australia Breast Implant Optional Settlement Fund shall be funded pursuant to the terms of the Funding Payment Agreement. The Reorganized Debtor shall receive a credit as payments are made against its obligations under the Funding Payment Agreement for all amounts paid by it to the Quebec Class Action Fund, the Ontario Class Action Fund, the B.C. Class Action Fund and the Australia Breast Implant Optional Settlement Fund.

5.10 **Treatment of Attorney's Fees of Settling Personal Injury Claimants.** The fees and expenses of attorneys representing any of the Settling Personal Injury Claimants (other than Claimants in Classes 6A, 6B, 6C and 6D, whose rights shall be governed by the settlement agreements applicable to those classes) who receive payment from the Settlement Facility will be borne by such Claimants based on applicable state law and the individual arrangements made between them and their attorneys, subject to the following limitations:

5.10.1 The fees charged by individually-retained attorneys to a Settling Personal Injury Claimant shall not exceed the sum of:

- (a) 10% of the first \$10,000 paid to such Claimant;
- (b) 22.5% of the next \$40,000 paid to such Claimant; and
- (c) 30% of the amount in excess of \$50,000 paid to such Claimant.

Such amounts may be adjusted by the District Court in the case of Foreign Settling Personal Injury Claimants as specified at Annex A to the Settlement Facility Agreement Section 9.01(c).

5.10.2 Amounts paid pursuant to either the Expedited Payment Option or the Explant Payment Option under the Settlement Facility shall not be counted as amounts paid to a Settling Personal Injury Claimant for purposes of this section and no fees shall be paid with respect to such amounts.

5.11 **Treatment of Punitive Damages.** Claims for punitive or exemplary damages in connection with Products Liability Claims, whether asserted by Personal Injury Claimants, Physician Claimants, or any other Claimants, shall not be Allowed.

5.12 **Venue for Liquidation of Foreign Personal Injury Claims.** If a Claimant in any of Classes 6.1, 6.2, 8, 10.1 and 10.2 is a Non-Settling Personal Injury Claimant, the manager of the Litigation Facility shall have the option, but not the obligation, of seeking to have the Claim held by such Claimant referred to the jurisdiction of the courts of the Claimant's domicile

for liquidation pursuant to principles of *forum non conveniens*. Upon conclusion of the liquidation procedures, the Claimant shall be paid (subject to the terms of the Funding Payment Agreement) the Allowed amount of the Claim (converted to U.S. dollars at the then prevailing exchange rate) pursuant to the terms of the Litigation Facility Agreement, the Settlement Facility Agreement and the Funding Payment Agreement.

5.13 **Other Claims Related to Implants – Classes 11 through 17.** Each class of Claims in Classes 11 through 17 shall receive treatment as follows:

5.13.1 **Claims in Class 11.** Notwithstanding any other provision of the Plan, Claimants in Class 11 shall have the option to elect to settle their Claims against the Debtor or to litigate the allowability of such Claims. Settling Co-Defendant Claimants shall release all Claims (including but not limited to contribution Claims) against the Debtor-Affiliated Parties and the Shareholder-Affiliated Parties arising from or relating to Products Liability Claims and, in exchange, the Debtor-Affiliated Parties and the Shareholder-Affiliated Parties shall release all Claims (including but not limited to contribution Claims) the Debtor-Affiliated Parties and/or the Shareholder-Affiliated Parties may have against a Settling Co-Defendant Claimant: (i) arising from or relating to any Claims that are discharged, released and/or enjoined pursuant to the Plan; and (ii) for any amount that was paid by any of the Debtor-Affiliated Parties or Shareholder-Affiliated Parties that if not so paid would have been a Products Liability Claim or would have been a Claim arising from or relating to a Products Liability Claim. The parties shall exchange the releases described in this section 5.13.1 on the Effective Date or as soon thereafter as may be practicable. To the extent a Personal Injury Claimant asserts a Product Liability Claim against a Debtor-Affiliated Party and/or Shareholder-Affiliated Party and a Claim against a Settling Co-Defendant Claimant in a single action that has been or will be transferred to the District Court, the Claims against

the Debtor-Affiliated Party and/or the Shareholder-Affiliated Party shall be severed from the Claim against the Settling Co-Defendant Claimant and the Claim against the Settling Co-Defendant Claimant shall be tried in the court from which such Claim was transferred. Co-Defendant Claimants who do not elect to settle by the voting deadline shall have their Claims estimated for distribution on or before the Effective Date. The Estimated Amount of any such Claims will be paid (subject to the terms of the Settlement Facility Agreement and the Funding Payment Agreement) by the Claims Administrator on, or as soon as practicable after, the Effective Date. If not estimated for distribution on or before the Effective Date, such Claims will be channeled to the Litigation Facility for purposes of Claim liquidation and paid (subject to the terms of the Settlement Facility Agreement and the Funding Payment Agreement) when Allowed. For purposes of this section 5.13.1, a “Claim” against a non-Debtor party shall have the meaning contained in 11 U.S.C. §101(5).

5.13.2 **Claims in Classes 12 and 13.** Claimants in Class 12 (Physician Claims) and Class 13 (Health Care Provider Claims) shall have the option to elect to settle their Claims against the Debtor or to litigate the allowability of such Claims. Claimants in Classes 12 and 13 who do not affirmatively elect to litigate shall be deemed to have settled their Claims. Settling Physicians and Settling Health Care Providers shall release all Claims against the Debtor and the Released Parties in exchange for the protection of the release and, to the extent applicable, the injunctive provisions of sections 8.3 through 8.5 of the Plan. The Claims held by Non-Settling Physicians and Non-Settling Health Care Providers will be channeled to the Litigation Facility and paid (subject to the terms of the Settlement Facility Agreement and the Funding Payment Agreement) when Allowed.

5.13.3 **Claims in Class 14.** Domestic Health Insurers shall have the option, pursuant to the terms of the Domestic Health Insurer Settlement Agreement, to either (a) settle their claims against the Debtor and the Released Parties or (b) litigate the allowability of their Claims and receive that treatment provided in section 6.05 of the Litigation Facility Agreement. All Domestic Health Insurers who do not timely elect to litigate their Claims will be deemed to have settled their Claims and shall be subject in all respects to the terms of the Domestic Health Insurer Settlement Agreement.

Each Domestic Health Insurer that elects to settle, or is deemed to have elected to settle, will receive its proportionate share of a cash settlement fund. The amount of the settlement fund will be determined and distributed as provided in the Domestic Health Insurer Settlement Agreement which generally provides for distribution based upon the proportionate number of “insured lives” of each settling Domestic Health Insurer. The Reorganized Debtor shall receive a credit against its obligations under the Funding Payment Agreement for all amounts paid pursuant to the Domestic Health Insurer Settlement Agreement.

Except as otherwise set forth in the Domestic Health Insurer Settlement Agreement, payments under the Domestic Health Insurer Settlement Agreement will be in full satisfaction and release of all Claims of each settling Domestic Health Insurer against the Debtor and the Released Parties. The Domestic Health Insurer Settlement Agreement generally requires all Domestic Health Insurers who elect to settle (or that are deemed to have elected to settle) to release each Personal Injury Claimant from any and all Claims, based on a theory of subrogation, reimbursement or otherwise, for recovery of payments made or benefits provided by them, in the past, present or future, relating to Products Liability Claims.

In the event the Domestic Health Insurer Settlement Agreement does not become effective, all Domestic Health Insurer Claims shall be treated in accordance with section 6.05 of the Litigation Facility Agreement.

5.13.4 **Claims in Class 14A.** Foreign Health Insurer Claims shall be treated in accordance with section 6.05 of the Litigation Facility Agreement.

5.13.5 **Claims in Classes 15 and 17.** Unless a different treatment is agreed to by the Proponents and the affected Claimants, the Proponents shall seek to have the Claims in Classes 15 and 17 estimated for distribution on or before the Confirmation Date. The Estimated Amount of any such Claims will be paid (subject to the terms of the Settlement Facility Agreement and the Funding Payment Agreement) by the Claims Administrator on, or as soon as practicable after, the Effective Date. If not settled or estimated for distribution on or before the Confirmation Date, such Claims will be channeled to the Litigation Facility for purposes of Claim liquidation and paid (subject to the terms of the Settlement Facility Agreement and the Funding Payment Agreement) when Allowed.

5.13.6 **Claims in Class 16.** Except as provided in sections 6.16.5 and 6.16.6 of the Plan, all Shareholder Claims shall be released in consideration of the provisions contained in section 6.16 of the Plan.

5.14 **LTCI-Related Claims – Classes 18 and 19.** At Closing, the Reorganized Debtor will, in full release, satisfaction and discharge of all Claims in Classes 18 and 19 and all Assumed Third Party Claims related to such Classes, cause the assignment of the LTCI Indemnities to the Litigation Facility. The Litigation Manager will assume full responsibility for resolving Claims in Classes 18 and 19 pursuant to the Litigation Facility Agreement. The sole remedy available to Class 18 and 19 Claimants shall be the Litigation Facility's enforcement of the LTCI Indemnities.

5.15 **Intercompany Claims – Class 20.** The amount of each Allowed Intercompany Claim shall include interest accrued thereon after the Petition Date through the Effective Date at the Case Interest Rate. Each Subsidiary or Joint Venture of the Debtor holding an Allowed Claim in Class 20 will retain its right to payment from the Debtor; provided, however, that the Reorganized Debtor will make no cash payment on account of such Allowed Claim. On the Effective Date the Class 20 Claimants shall effect an offset of their Claims against any obligation owing to the Debtor. To the extent a Class 20 Claim is not satisfied in full by such setoff, the balance of such Claim shall be satisfied by credits for future royalty obligations owing to the Reorganized Debtor or for future sales of product and/or services by the Reorganized Debtor made in the ordinary course of post-Effective Date business of the Reorganized Debtor and such Subsidiary or Joint Venture.

5.16 **Subordinated Claims – Class 21.** Each Subordinated Claim shall include interest accrued thereon after the Petition Date through the later to occur of the Effective Date or the Allowance Date at the Case Interest Rate, which total sum shall be the Allowed Subordinated Claim. Each Claimant holding an Allowed Subordinated Claim will receive, as soon as practicable following the Effective Date, or, if later, the Allowance Date, payment of its Allowed Claim in full in cash.

5.17 **Holders of Interests – Class 24.** The Shareholders shall retain their Interests in the Reorganized Debtor.

5.18 **Cramdown.** If any impaired class of Claims fails to accept this Plan as required by section 1126 of the Bankruptcy Code or in accordance with voting procedures established by the Court, the Debtor shall have the right, independent of the Tort Committee, to request that the Court confirm this Plan in accordance with section 1129(b) of the Bankruptcy Code. The Tort Committee will support confirmation of this Plan in accordance with section 1129(b) as it relates

to Classes 5 through 10.2 unless it reasonably determines that its fiduciary duty to its constituency as a whole requires it to oppose such confirmation.

## ARTICLE SIX

### **MEANS FOR IMPLEMENTATION OF PLAN**

6.1 **Litigation Protocol.** The procedures for resolving Claims of Non-Settling Personal Injury Claimants and other Claims that are not settled under the Plan are described in the Litigation Facility Agreement. In addition, the Litigation Facility Agreement provides that the Case Management Order has been approved by the parties and will be entered by the District Court. Pursuant to the terms of the Litigation Facility Agreement, attempts will be made to resolve Claims of Non-Settling Personal Injury Claimants and other Claims that are not settled under the Plan, failing which the right of individual Claimants to proceed to jury trial, if required by law, on their Claims will be preserved.

6.2 **Settlement Regarding Allocation of Insurance Proceeds and Coverage.** To facilitate consummation of the Plan, and in partial consideration of the releases and the injunctive provisions of sections 8.3 and 8.4 of the Plan, Dow Chemical has agreed to a settlement regarding the allocation, as between it and Dow Corning, of the proceeds and coverage afforded under the various shared insurance arrangements in accordance with the terms of the Insurance Allocation Agreement. The Court shall consider approval of the Insurance Allocation Agreement at the hearing on confirmation of the Plan.

6.3 **Resolution of Other Claims to Insurance Settlement Proceeds.** A number of Insurance Companies, Physicians, Health Care Providers, and Government Payors have asserted claims against or interests in amounts paid or payable by Settling Insurers pursuant to settlement agreements reached with Dow Corning. Dow Corning will seek, as part of the Confirmation Order or pursuant to an adversary proceeding to be heard concurrently with confirmation, a determination that Dow Corning's rights and interests in such amounts paid or payable by the

Settling Insurers are superior to the competing claims of all other claimants except Dow Chemical, as provided in the Insurance Allocation Agreement, and the rights of Hoechst Marion Roussel, Inc., as provided in a settlement agreement approved by the Bankruptcy Court on January 25, 1996. Consequently, if Dow Corning is successful, the Confirmation Order or another order or judgment entered concurrently with the Confirmation Order will disallow any competing claims to amounts paid or to be paid by the Settling Insurers pursuant to settlement agreements with Dow Corning, other than the rights of Dow Chemical pursuant to the Insurance Allocation Agreement and the rights of Hoechst Marion Roussel, Inc. as provided in a settlement agreement approved by the Bankruptcy Court on January 25, 1996.

6.4 **Settlement of Certain Foreign Claims.** To facilitate consummation of the Plan, the Court shall consider approval of the Quebec Breast Implant Settlement Agreement, the Ontario Breast Implant Settlement Agreement, the B.C. Class Action Settlement Agreement and the Australia Breast Implant Settlement Option at the hearing on confirmation of the Plan.

6.5 **Settlement with Domestic Health Insurers.** To facilitate consummation of the Plan, the Court shall consider approval of the Domestic Health Insurer Settlement Agreement at the hearing on confirmation of the Plan.

6.6 **Filing and Payment of Allowed Administrative Claims.** All requests for the payment of administrative expenses pursuant to section 503(b)(1) of the Bankruptcy Code, including applications for the compensation of professionals, shall be filed with the Court no later than 75 days after the Effective Date or at such time as the Court may otherwise order. Applications for substantial contribution claims not covered by Section 9.02 of Annex A to the Settlement Facility Agreement shall be filed with the Court no later than 90 days after the Effective Date or at such time as the Court may otherwise order. The Reorganized Debtor will have 90 days after the deadline for filing requests for the payment of administrative expenses to

file objections to any such requests. The Reorganized Debtor shall cause all Allowed Administrative Claims to be paid in accordance with section 2.1 of this Plan.

6.7 **Funding of Plan Payments.** Payments of cash to be made pursuant to the Plan will be made as provided in the Plan, the Funding Payment Agreement, the Quebec Breast Implant Settlement Agreement, the Ontario Breast Implant Settlement Agreement, the B.C. Class Action Settlement Agreement, and the Australia Breast Implant Settlement Option, as applicable. Unless otherwise provided in an order of the Court, all cash payments shall be made in United States dollars.

6.8 **Resolution of Rights to Recover Against Settlement Facility.** A number of Claimants in Classes 14, 14A and/or 15 assert rights to recover from the Settlement Facility if the Settlement Facility pays Allowed Claims of Settling Personal Injury Claimants without notice to or an adjudication of competing rights of such Class 14, 14A and/or 15 Claimants to such settlement amounts. Dow Corning will seek, as part of the Confirmation Order or pursuant to an adversary proceeding to be heard concurrently with confirmation, a determination that any such right to recover against the Settlement Facility shall be cut off by the payment of an Allowed Claim of a Settling Personal Injury Claimant and that the sole remedies available to such Class 14, 14A and/or 15 Claimant shall be (a) to pursue a recovery directly from the Settling Personal Injury Claimant, or (b) injunctive or other equitable relief from the MDL 926 Court (to the extent such relief is available under applicable law) with respect to the Settlement Facility's payment of an Allowed Claim to any Settling Personal Injury Claimant whom the Class 14, 14A, and/or 15 Claimant timely identifies in connection with its filed proof of claim.

6.9 **Payment to United States Trustee.** All fees due to the United States Trustee pursuant to 28 U.S.C. § 1930(a) shall be paid by the Reorganized Debtor as and when they become due and shall be based on the Reorganized Debtor's total disbursements, including ordinary course of business disbursements as well as disbursements made under the Plan, but

shall not include distributions by the Settlement Facility and the Litigation Facility to the ultimate recipients. Such fee obligations shall not terminate until the Case is converted or dismissed, or until the Case is no longer pending upon entry of a final decree closing the Case, whichever shall first occur.

6.10 **Closing.** One or more closings (each, a “**Closing**” and collectively, the “**Closings**”) shall be conducted in the offices of DCC, or at such other location(s) designated by the Proponents, at 10:00 o’clock a.m. on one or more Business Days selected by the Proponents on, or as soon as practicable after, the Effective Date (each, a “**Closing Date**” and collectively, the “**Closing Dates**”) for the purpose of making the distributions to holders of Allowed Claims provided for in the Plan. As soon as practicable after the conditions to the Effective Date in section 7.2 have been satisfied or waived in accordance with section 7.3, the Proponents shall give written notice of the applicable Closing Date to the other Official Committees and any Claimant that will be directly involved in a Closing. Separate Closing Dates may be scheduled for different Classes of creditors treated under this Plan to the extent necessary, in the sole discretion of the Proponents. All references in this Plan to a Closing or a Closing Date shall refer to the effectuation of the distribution to the holders of Allowed Claims in a particular Class provided for in the Plan or the date prescribed therefor pursuant to this section 6.8, as the case may be. (Although this provision is intended to afford all parties-in-interest the flexibility to efficiently conclude the transactions contemplated by the Plan, the Proponents intend, if at all possible, to conduct a single Closing.)

6.11 **Debtor’s Obligations at Closing.** The following shall occur at the Closings:

6.11.1 **Payment, Cure and Reinstatement or Setoff of Allowed Secured Claims.** The Reorganized Debtor shall pay or make provision for the prompt payment to the holders of Allowed Secured Claims an amount equal to all overdue principal installments and accrued and unpaid interest, if any, on the Allowed Secured Claims as of

the Closing Date, and the Allowed Secured Claims shall thereby be reinstated, without premium or penalty. Alternatively, if an Allowed Secured Claim consists of an amount subject to setoff under section 553 of the Bankruptcy Code, the holders of such Allowed Secured Claims shall effect such setoffs on the Effective Date or, if later, the Allowance Date.

6.11.2 **Satisfaction of Allowed Unsecured Claims.** The Reorganized Debtor shall cause the distribution of cash, with respect to Allowed Claims in Class 3 and Allowed Claims in Class 4 (and Class 4A, if applicable), to be made as provided in sections 4.3, 5.1 and 5.2 of this Plan.

6.11.3 **Satisfaction of Personal Injury Claims (Other than Claims in Classes 6A, 6B, 6C and 6D) and LTCI Other Claims.** Unless the Settlement Facility and the Litigation Facility shall have been earlier established, the Reorganized Debtor shall cause the Settlement Facility and the Litigation Facility to be established and shall deliver the Funding Payment Agreement (together with the initial cash payment of \$985 million plus any interest as provided by the Funding Payment Agreement) and the LTCI Indemnities in full release, satisfaction and discharge of the Personal Injury Claims and LTCI Other Claims.

6.11.4 **Satisfaction of Personal Injury Claims in Class 6A.** The Reorganized Debtor shall execute and deliver the Quebec Breast Implant Settlement Agreement (together with any payment[s] then due thereunder to the Quebec Class Action Fund).

6.11.5 **Satisfaction of Personal Injury Claims in Class 6B.** The Reorganized Debtor shall execute and deliver the Ontario Breast Implant Settlement Agreement (together with any payment[s] then due thereunder to the Ontario Class Action Fund).

6.11.6 **Satisfaction of Personal Injury Claims in Class 6C.** The Reorganized Debtor shall execute and deliver the B.C. Class Action Settlement Agreement (together with any payment[s] then due thereunder to the B.C. Class Action Fund).

6.11.7 **Satisfaction of Personal Injury Claims in Class 6D.** The Reorganized Debtor shall execute and deliver the Australia Breast Implant Settlement Option (together with any payment[s] then due thereunder to the Australia Breast Implant Optional Settlement Fund).

6.11.8 **Satisfaction of Other Claims Related to Implants.** If such Claims have been timely resolved or estimated for allowance, the Reorganized Debtor shall cause the distribution of cash with respect to Allowed Claims of Non-Settling Co-Defendants in Class 11, and of Claimants in Classes 15 and 17 in accordance with sections 5.13.1 and 5.13.5 of this Plan.

6.11.9 **Satisfaction of Settling Domestic Health Insurer Claims.** Provided the Domestic Health Insurer Settlement Agreement has become effective, the Reorganized Debtor shall consummate the transactions contemplated by that agreement.

6.11.10 **Satisfaction of Allowed Subordinated Claims.** The Reorganized Debtor shall cause all Allowed Subordinated Claims to be satisfied in accordance with section 5.16 of this Plan.

6.11.11 **Amendment of Corporate Charter.** The Reorganized Debtor shall amend its corporate charter to prohibit the issuance of nonvoting equity securities.

6.11.12 **Contemporaneous Nature of Transactions at Closing.** All transactions consummated at the Closing shall be deemed to be contemporaneous transactions. All documents and consideration which were required to be exchanged at Closing shall be deemed contemporaneously exchanged among the parties.

6.12 **Documentation.** The Proponents shall prepare all documentation to be executed in connection with this Plan or the Closing, subject to any necessary Court approval.

6.13 **Merger; Choice of Law.** All obligations of the Debtor to all Claimants shall be merged into this Plan and the documents executed by the Reorganized Debtor at Closing and delivered to the respective affected Claimants. All such obligations of the Reorganized Debtor shall be evidenced by this Plan and such executed and delivered documents. Unless otherwise provided therein, such documents shall be governed by and construed in accordance with the laws of the State of New York and applicable federal law.

6.14 **Other Obligations of the Reorganized Debtor.** The Reorganized Debtor shall:

6.14.1 review all Claims other than Personal Injury Claims filed against the estate and, if advisable, object to Claims;

6.14.2 investigate, prosecute, settle, or dismiss all Debtor Actions and Insurance Debtor Actions not otherwise released under this Plan. The Reorganized Debtor shall be entitled to receive all Debtor Action Recoveries and Insurance Debtor Action Recoveries. All such proceeds related to Personal Injury Claims shall be paid to the Settlement Facility or the Litigation Facility, as applicable, as provided in this Plan and the Plan Documents; and

6.14.3 perform all of its obligations under the Plan Documents, including, without limitation, those obligations provided in the Settlement Facility Agreement, the Litigation Facility Agreement and the Funding Payment Agreement.

6.15 **Board of Directors of the Reorganized Debtor.** The board of directors of DCC shall continue to serve as the initial board of directors of the Reorganized Debtor.

6.16 **Shareholders' Contribution.** In order (a) to facilitate the consummation of the Plan and the funding of the Settlement Facility and the Litigation Facility, and (b) to provide additional sources for funding the Plan as required by the Funding Payment Agreement, the

Shareholders have agreed to make certain financial accommodations, and the Debtor and the Shareholders have agreed to resolve certain Claims asserted against the Debtor by the Shareholder-Affiliated Parties. In exchange for the consideration contributed to the Plan by the Shareholders, the Shareholder-Affiliated Parties will be entitled to, and shall benefit from, the provisions of sections 6.16.5 and 6.16.6 and the releases and injunctions provided in sections 8.3 and 8.4 of the Plan. The agreements between the Debtor and the Shareholders include the following:

6.16.1 **Insurance Settlement.** Dow Chemical has agreed to the allocation of the proceeds and coverage afforded under the various shared insurance arrangements as provided in section 6.2 of the Plan.

6.16.2 **Shareholder Revolving Credit Facility.** Dow Chemical and Corning will enter into the Funding Payment Agreement, which shall contain provisions obligating Dow Chemical and Corning to make available to the Reorganized Debtor a ten-year revolving credit facility in the aggregate amount of \$300 million for years one through five after the Effective Date, and decreasing by \$50 million per year in years six through ten after the Effective Date. Dow Chemical and Corning will each contribute one-half of any funds advanced or borrowed under the facility. The facility will have a final maturity at the end of year ten, at which time the Reorganized Debtor will be required to repay all amounts not previously repaid in accordance with the amortization schedule, and no funds will be available under the facility thereafter. The facility will be available to lend funds to the Reorganized Debtor in the event the Reorganized Debtor does not have sufficient funds to meet its obligation to fund the Plan in accordance with the Funding Payment Agreement. The Reorganized Debtor will be obligated to repay all amounts advanced by Dow Chemical and Corning with interest, and will be permitted to prepay at any time.

6.16.3 **Release of Shareholder Claims.** Except as provided in sections 6.16.5 and 6.16.6 of the Plan and in the Litigation Facility Agreement with respect to the Mahlum Claims and the Spitzfaden Claims, the Shareholder Claims shall be deemed released on the Effective Date of the Plan.

6.16.4 **Shareholder Support of Plan.** The Shareholders have agreed to support the Plan, which calls for substantial payments for disease Claims of Settling Personal Injury Claimants without requiring the Settling Personal Injury Claimants to prove that the Claimants' diseases were caused by a silicone implant manufactured by the Debtor.

6.16.5 **Mahlum Claims.** The Mahlum Claims have been settled prior to the Effective Date, and all amounts paid by Dow Chemical pursuant to the agreement providing for the settlement of such claims shall constitute Allowed Class 16 Claims. The settlements included a release of any corresponding Claims against the Debtor-Affiliated Parties and the Shareholder-Affiliated Parties. Dow Chemical shall be reimbursed such amounts in full, together with interest (calculated in the same manner as for Class 4 Claims), by the Claims Administrator from funds maintained by the Settlement Facility. Reimbursement shall be made on the same basis and with the same priority as "Second Priority Payments" under the Settlement Facility Agreement.

6.16.6 **Spitzfaden Claims.** All amounts paid or to be paid by Dow Chemical to the eight named Spitzfaden Claimants pursuant to the letter agreement between counsel for such parties dated April 12, 1999 shall constitute Allowed Class 16 Claims, and Dow Chemical shall pay said amounts in full as provided in the agreement referred to above and shall be reimbursed such amounts in full, together with interest (calculated in the same manner as for Class 4 Claims), by the Claims Administrator from funds maintained by the Settlement Facility. Reimbursement shall be made on the same basis and with the same priority as "Second Priority Payments" under the Settlement Facility Agreement.

Any such settlements shall include a release of any corresponding Claims against the Debtor-Affiliated Parties and the Shareholder-Affiliated Parties.

The Court of Appeal of Louisiana, Fourth Circuit, has reversed the judgment of the trial court (Spitzfaden v. Dow Corning Corp., 833 So.2d 512 (La. Ct. App. 4<sup>th</sup> Cir. 2002), writ denied, 847 So.2d 1243 (La. 2003). As a consequence, all Spitzfaden Claims that are held by Spitzfaden Claimants other than those held by the eight named Spitzfaden Claimants shall be treated in the same manner as all other Class 5 Claims under the Plan.

For those Spitzfaden Claimants whose Claims are to be resolved through the Settlement Facility, the Claims Office will deem the submission date by the first Spitzfaden Claimant as the submission date for all other Spitzfaden Claimants; provided, however, that nothing in this section shall extend any deadlines provided for in the Plan or the Plan Documents (e.g., opt-out, rupture, silicone materials, etc.), or materially delay the processing or payment of any other Claims under the Settlement Facility Agreement.

The Shareholders' obligations in this section 6.16 are subject to the conditions (unless waived by the Shareholders) that (a) the conditions set out in sections 7.1 and 7.2 of the Plan shall have been satisfied and (b) no amendment or modification to the Plan (including the release and injunction provisions) shall have occurred that is adverse to the Shareholders in any respect.

### CONDITIONS PRECEDENT

7.1 **Conditions to Confirmation.** Confirmation of the Plan shall not occur unless and until each of the following conditions shall have been satisfied or waived in accordance with section 7.3 of this Plan:

7.1.1 The Court or the District Court, as appropriate, shall have entered an Estimation Order(s) with respect to any Estimated Amount(s) that are necessary for confirmation of the Plan;

7.1.2 The District Court shall have entered the Case Management Order;

7.1.3 The Confirmation Order shall provide that the settlement provisions provided in section 5.4.1 of the Plan are binding on all Settling Personal Injury Claimants;

7.1.4 The Confirmation Order shall approve and provide for the implementation of the Insurance Allocation Agreement;

7.1.5 The Confirmation Order shall approve and provide for the implementation of the Domestic Health Insurer Settlement Agreement;

7.1.6 The Confirmation Order shall approve and provide for the implementation of the other Plan Documents;

7.1.7 The Confirmation Order shall effect the release of certain Claims and the injunction against the prosecution of the Released Claims against those third parties, including the Shareholder-Affiliated Parties, as described in sections 8.3 and 8.4 of the Plan, and shall provide for the channeling injunction with respect to Assumed Third Party Claims described in section 8.5 of the Plan; and

7.1.8 The Confirmation Order shall be in form and substance reasonably acceptable to the Proponents and the Shareholders.

7.2 **Conditions to the Effective Date.** Notwithstanding any other provision of the Plan or the Confirmation Order, the Effective Date shall not occur unless and until each of the following conditions shall have been satisfied or waived in accordance with section 7.3 of this Plan:

7.2.1 No timely-filed appeal shall have been taken from the Confirmation Order challenging, directly or indirectly, the validity and enforceability of the releases and injunctions described in sections 8.3 and 8.4 of the Plan and/or the limits of required funding as set forth in the Funding Payment Agreement for the release, satisfaction and discharge of all claims in Classes 5 through 19 of the Plan (collectively, the “**Release/Funding Issues**”), or, if such an appeal regarding any Release/Funding Issue shall have been filed, such appeal shall have been denied or dismissed and such releases and injunctions and such limits of required funding shall have been affirmed in all respects pursuant to a Final Order; and

7.2.2 The Debtor shall have received from the Internal Revenue Service (“**IRS**”) a ruling reasonably satisfactory to Dow Corning and its tax counsel regarding the following matters: (i) the Depository Trust will be treated as a qualified settlement fund within the meaning of section 468B of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder; (ii) the payments to be made with respect to Claims Allowed through the procedures provided therefor in the Litigation Facility will be fully deductible by the Reorganized Debtor at the time of (or before) each such disbursement; and (iii) such other matters as tax counsel for Dow Corning may reasonably require.

7.3 **Waiver of Conditions.** Any condition set forth in sections 7.1 or 7.2 of this Plan may be waived by the Proponents and the Shareholders.

7.4 **Escrow of Payments to Settlement Facility Pending Appeal.** Notwithstanding section 7.2.1 of the Plan, in the event an appeal is filed from the Confirmation Order that does not raise a Release/Funding Issue and does not result in a stay of the effect of the Confirmation Order, Reorganized DCC shall consummate the Plan.

If the appeal does raise a Release/Funding Issue: (a) DCC and the Tort Committee will cooperate in seeking an expedited appeal thereof, and (b) if there is no stay of the Confirmation Order pending appeal, DCC shall timely pay to the Settlement Facility that portion of the initial cash payment of \$985 million and such other subsequently available funds which Reorganized DCC is obligated to pay under the terms of the Funding Payment Agreement.

The funds paid to the Settlement Facility shall be held in escrow pending the outcome of the appeal, with any interest accruing thereon to be held as part of the fund. During the pendency of the appeal, the Settlement Facility shall commence those operations necessary and appropriate to begin processing Claims promptly after the Effective Date. Funds may be withdrawn for payment of the administrative expenses of the Settlement Facility and/or the Litigation Facility that are incurred during the pendency of the appeal. If the appeal does not result in a reversal of the Confirmation Order, the remaining escrowed funds, including the accrued interest thereon, shall, upon termination of the appeal, be disbursed in accordance with the Plan. If the appeal results in the reversal of the Confirmation Order, the remaining escrowed funds, including the accrued interest thereon, shall be returned to DCC.

## **ARTICLE EIGHT**

### **EFFECTS OF PLAN CONFIRMATION**

8.1 **Discharge.** Except as otherwise expressly provided in this Plan or in the Confirmation Order, on the Effective Date the Debtor shall be discharged from and its liability shall be extinguished completely in respect of any Claim and Debt, whether reduced to judgment or not, liquidated or unliquidated, contingent or noncontingent, asserted or unasserted, fixed or not, matured or unmatured, disputed or undisputed, legal or equitable, known or unknown, that arose from any agreement of the Debtor entered into or obligation of the Debtor incurred before the Confirmation Date, or from any conduct of the Debtor prior to the Confirmation Date, or that otherwise arose before the Confirmation Date, including, without limitation, all interest, if any,

on any such Claims and Debts, whether such interest accrued before or after the date of commencement of the Case, and including, without limitation, all Claims and Debts based upon or arising out of Breast Implant Claims, Other Products Claims, Raw Material Breast Implant Claims, Miscellaneous Raw Material Claims, LTCI Claims, and from any liability of the kind specified in sections 502(g), 502(h), and 502(i) of the Bankruptcy Code, whether or not a proof of claim is filed or is deemed filed under section 501 of the Bankruptcy Code, such Claim is Allowed under section 502 of the Bankruptcy Code, or the holder of such Claim has accepted this Plan.

Without limiting the generality or effect of the foregoing, on the Effective Date, all Existing Debt Instruments shall be deemed canceled, extinguished, retired and of no further force and effect, in all events without any further action on the part of the Debtor or any other entity. The holders of Existing Debt Instruments shall thereafter have no rights arising from or relating to such Existing Debt Instruments, except the rights provided pursuant to this Plan; *provided, however*, that no distribution under this Plan shall be made to or on behalf of the holder of any Allowed Claim evidenced by such Existing Debt Instruments unless or until such Existing Debt Instruments are surrendered to the Reorganized Debtor pursuant to, or the holder has otherwise complied with, section 10.6 of this Plan.

8.2 **Vesting.** Except as otherwise expressly provided in this Plan or in the Confirmation Order, on the Effective Date the Reorganized Debtor shall be vested with all of the property of the estate free and clear of all Claims, Liens, encumbrances, charges and other interests of Creditors and Shareholders, and shall thereafter hold, use, dispose or otherwise deal with such property and operate its business free of any restrictions imposed by the Bankruptcy Code or by the Court. All Debtor Actions and, except to the extent the same are transferred to the Settlement Facility or the Litigation Facility, all Insurance Debtor Actions are hereby preserved for the benefit of the Reorganized Debtor, the proceeds of which shall be used, as

necessary for funding obligations to either the Settlement Facility or the Litigation Facility, except as otherwise provided in settlements approved by prior order of the Court or approved by the Court in connection with confirmation of this Plan. Prosecution and settlement of the Debtor Actions and the retained interest in any Insurance Debtor Actions shall be the exclusive responsibility of the Reorganized Debtor. The Reorganized Debtor shall have sole and absolute discretion over whether to prosecute or settle such causes of action.

8.3 **Release.** Except as otherwise expressly provided in this Plan and in this section 8.3, in consideration of (a) the promises and obligations of the Debtor-Affiliated Parties under the Plan, including the establishment and funding of the Settlement Facility, the Litigation Facility, the Quebec Class Action Fund, the Ontario Class Action Fund, the B.C. Class Action Fund and the Australia Breast Implant Optional Settlement Fund, (b) the undertakings of the Shareholders pursuant to section 6.16 of the Plan, (c) the undertakings of the Settling Insurers pursuant to their respective settlements with the Debtor, and (d) the release of Claims against the Debtor-Affiliated Parties by the Settling Physicians and Settling Health Care Providers, on the Effective Date (i) all Persons who have held, hold, or may hold Products Liability Claims, whether known or unknown, shall be deemed to have forever waived and released all such rights or Claims, whether based upon tort or contract or otherwise, that they heretofore, now or hereafter possess or may possess against the Debtor-Affiliated Parties, the Shareholder-Affiliated Parties, the Settling Insurers, and, to the extent released by the Debtor under the settlement agreements with such Settling Insurers, the respective predecessors, successors, officials, shareholders, subsidiaries, divisions, affiliates, representatives, attorneys, merged or acquired companies or operations or assigns of the Settling Insurers, and (ii) all Persons who hold, may hold or may have held Personal Injury Claims shall be deemed to have forever waived and released all such rights or Claims, whether based upon tort or contract or otherwise, that they heretofore, now or hereafter possess or may possess against the Settling Physicians (except for

Malpractice Claims) or the Settling Health Care Providers (except for Malpractice Claims) (all such parties released by this section 8.3, including, without limitation, the Debtor-Affiliated Parties, the Shareholder-Affiliated Parties, the Settling Insurers and, to the extent released by the Debtor under the settlement agreements with such Settling Insurers, the respective predecessors, successors, officials, shareholders, subsidiaries, divisions, affiliates, representatives, attorneys, merged or acquired companies or operations or assigns of the Settling Insurers, and, except for Malpractice Claims, the Settling Physicians and Settling Health Care Providers, being collectively called the “**Released Parties**”), in each case based upon or in any manner arising from or related to (v) the raw materials and/or finished products manufactured or distributed by the Debtor, including a Breast Implant, an Other Product, an LTCI Product, or the raw materials comprising part of a Non-Dow Corning Breast Implant or a Non-Dow Corning Implant, (w) the research and development, manufacture, distribution, advertisement, sale, provision, recommendation, insertion, use or removal of any raw materials and/or finished products manufactured or distributed by the Debtor, including a Breast Implant, an Other Product, an LTCI Product or the raw materials comprising part of such products or a Non-Dow Corning Breast Implant or a Non-Dow Corning Implant, (x) the processing, adjustment, settlement, payment, defense, negotiation or handling of any Claims, demands, suits, causes of action or proceedings, based upon or relating in any way to any raw materials and/or finished products manufactured or distributed by the Debtor, including a Breast Implant, an Other Product or an LTCI Product, or the raw materials comprising part of a Non-Dow Corning Breast Implant or a Non-Dow Corning Implant, (y) the failure to warn, disclose or provide information concerning, the alleged fraud or misrepresentation regarding, or the failure to take remedial action with respect to, any raw materials and/or finished products manufactured or distributed by the Debtor, including a Breast Implant, an Other Product or an LTCI Product, or the raw materials comprising part of a Non-Dow Corning Breast Implant or a Non-Dow Corning Implant, or (z)

contingent Claims against any of the Released Parties for liability, if any, otherwise arising from the future payment by the Debtor, the Reorganized Debtor or either the Settlement Facility and the Litigation Facility in potential derogation of the lien rights or rights of subrogation held with respect to the Claims of any direct Claimant against any of the Released Parties, including, without limitation, (a) those for death or personal injuries, including emotional distress, (b) those of any Person against whom any Claim, demand, proceeding, suit or cause of action based upon or in any manner arising from or relating to any of the matters enumerated or described in (v), (w), (x), (y) and/or (z) above has been or may be asserted (including, without limitation, rights of indemnity, whether contractual or otherwise, contribution Claims and subrogation Claims), (c) those for damages, including punitive damages, (d) those for attorneys' fees and other expenses, fees or costs, (e) those for any possible economic loss or loss of consortium, (f) those for damages to reputation, and (g) those for any equitable remedy.

The parties who are Released Parties in this section 8.3 shall be deemed released by the Quebec Class Action Settlement Claimants, the Ontario Class Action Settlement Claimants, the B.C. Class Action Settlement Claimants and the Australia Breast Implant Settlement Claimants, and shall be entitled to receive executed releases pursuant to, respectively, the Quebec Breast Implant Settlement Agreement, the Ontario Breast Implant Settlement Agreement, the B.C. Class Action Settlement Agreement and the Australia Breast Implant Settlement Option.

Except as otherwise expressly provided in this Plan and the Plan Documents, the release under this section 8.3 shall further operate, as between all Released Parties, as a mutual release of all Products Liability Claims, including, but not limited to, all Claims between any Shareholder-Affiliated Parties. Further, save and except for the preservation of all rights in insurance arrangements described below, Dow Corning shall be deemed to have released any Claims for contribution or indemnity it may have against any of the Released Parties. However,

the release under this section 8.3 will not affect contribution, indemnity, subrogation, or other claims of non-settling Insurance Companies against Settling Insurers.

This section 8.3 shall not operate as a release or waiver of any Malpractice Claim held against a Settling Physician or a Settling Health Care Provider by a Settling Personal Injury Claimant. Malpractice Claims, if any, asserted by Settling Personal Injury Claimants shall be resolved in the courts where actions based on such Claims have been (or may be) filed. Moreover, this section 8.3 shall not operate as a release or waiver in favor of the Settling Physicians and the Settling Health Care Providers of the rights or Claims of Non-Settling Personal Injury Claimants. Such rights and Claims shall be preserved, subject to section 8.5 of this Plan. This section 8.3 shall not operate as a release or waiver of those Claims preserved under the Domestic Health Insurer Settlement Agreement.

Further, this section 8.3 and the injunction contained in section 8.4 are not intended to release, impair or otherwise affect the terms of any Coverage-in-Place Policies or other undertakings of any of the Settling Insurers under their respective settlement agreements with the Debtor, or to release, impair or otherwise affect the rights of the Shareholder-Affiliated Parties in respect of any policy of insurance, except as expressly set forth (a) in the orders entered by the Court with respect to the settlement agreement between the Debtor and a Settling Insurer or (b) in the settlement described in section 6.2 of this Plan.

The Representatives of the Debtor, the Joint Ventures and the Subsidiaries shall be deemed indemnified and held harmless by the Reorganized Debtor with respect to the Claims hereby released to the fullest extent available under applicable statute and the bylaws of the Reorganized Debtor.

The foregoing release provisions are an integral part of this Plan and are essential to its implementation.

8.4 **Permanent Injunction Against Prosecution of Released Claims.** Except as otherwise expressly provided in this Plan, for the consideration described in section 8.3 above, on the Effective Date all Persons who have held, hold, or may hold Released Claims, whether known or unknown, and their respective agents, attorneys, and all others acting for or on their behalf, shall be permanently enjoined on and after the Effective Date from (a) commencing or continuing in any manner, any action or any other proceeding of any kind with respect to any Released Claim against the Debtor-Affiliated Parties, the Shareholder-Affiliated Parties, the Settlement Facility, the Litigation Facility, the Settling Physicians, the Settling Health Care Providers, the Settling Insurers, and, to the extent released by the Debtor under the settlement agreements with such Settling Insurers, the respective predecessors, successors, officials, shareholders subsidiaries, divisions, affiliates, representatives, attorneys, merged or acquired companies or operations or assigns of the Settling Insurers, or any Representative of each such party (collectively, the “**Parties**”) or the property of the Parties, (b) seeking the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree, or order against the Parties or the property of the Parties, with respect to any Released Claim, (c) creating, perfecting, or enforcing any encumbrance of any kind against the Parties or the property of the Parties with respect to any Released Claim, (d) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due to the Parties with respect to any Released Claim, and (e) taking any act, in any manner and in any place whatsoever, that does not conform to or comply with provisions of this Plan, or the Settlement Facility Agreement and the Litigation Facility Agreement. Notwithstanding this section 8.4, each Non-Settling Personal Injury Claimant shall be entitled to continue or commence an action against the Litigation Facility in which the Non-Settling Personal Injury Claimant shall be entitled to a jury trial for the sole purpose of obtaining a judgment as permitted by the Litigation Facility Agreement, thereby liquidating such Non-Settling Personal Injury Claimant’s Claim so that it may be paid with other

Allowed Personal Injury Claims in the ordinary course of the operations of the Litigation Facility, consistent with the provisions of the Litigation Facility Agreement. The holder of any such judgment shall be enjoined from executing against the Litigation Facility or its assets.

In the event any Person takes any action that is prohibited by, or is otherwise inconsistent with the provisions of sections 8.3 or 8.4 of this Plan, then, upon notice to the Court by an affected Released Party, the action or proceeding in which the Claim of such Person is asserted shall automatically be transferred to the Court (or, as applicable, the District Court) for enforcement of the provisions of sections 8.3 and 8.4 of this Plan.

The foregoing injunctive provisions are an integral part of this Plan and are essential to its implementation.

8.5 **Channeling Injunction for Certain Claims.** Claims, if any, asserted by Non-Settling Personal Injury Claimants against the Settling Physicians and the Settling Health Care Providers (other than Malpractice Claims) shall be subject to the channeling injunction provisions of this section 8.5 in the event that jurisdiction over such Claims is transferred, as Claims “related to” this Case, to the District Court. If such transfer is not effected, the relief provided in this section is not effective as to Claims that are not transferred, and such Claims shall be resolved by the procedures applicable in the courts where actions based on such Claims have been (or may be) filed. In the event that any such Claims against a Settling Physician or Settling Health Care Provider are transferred to the District Court for liquidation, they shall be subject to the following Claims resolution procedures. In addition, subject to the provisions of sections 6.16.5 and 6.16.6 of this Plan, any of the Mahlum Claims and Spitzfaden Claims that are unresolved as of the Effective Date shall be subject to the channeling injunction provisions and the Claims resolution procedures specified in this section 8.5. All Claims transferred pursuant to this section 8.5 are called the “**Assumed Third Party Claims**”.

8.5.1 **Resolution and Trial Procedures.** All Assumed Third Party Claims shall be processed, settled, tried and otherwise resolved in accordance with the Claims resolution procedures (including trial by jury) provided in or contemplated by the Litigation Facility Agreement. To facilitate such resolution, each Assumed Third Party Claim shall be joined and consolidated with the corresponding Claim against the Debtor, if any, in order that the Assumed Third Party Claim and any corresponding Claim against the Litigation Facility as successor to the Debtor will be resolved jointly and concurrently through the procedures contained in the Litigation Facility Agreement.

8.5.2 **Trial Venue.** Nothing contained herein shall limit the power and authority of the District Court to set trial venue for Personal Injury Claims against the Settling Physicians or the Settling Health Care Providers in the District Court or in the district court in the district in which the Claim arose, in accordance with 28 U.S.C. § 157(b)(5), except that, as contemplated by the Litigation Facility Agreement, an Assumed Third Party Claim will be tried together with any corresponding Claim against the Litigation Facility as successor to the Debtor.

8.5.3 **No Delay in Claim Resolution.** Claim resolution under the Litigation Facility Agreement shall commence following the Effective Date of the Plan in accordance with the terms of the Litigation Facility Agreement and shall not be delayed or postponed pending adjudication of the transfer to the District Court of any Assumed Third Party Claim.

8.5.4 **Injunction.** All Persons who have held, hold or may hold Assumed Third Party Claims, whether known or unknown, and their respective Representatives, shall be permanently enjoined on and after the Effective Date from (a) commencing or continuing in any manner any action or any other proceeding of any kind against any Settling Physician, Settling Health Care Provider, or their property, based on, arising out

of, or relating to any Assumed Third Party Claims, except as permitted by this Plan and the Litigation Facility Agreement, and (b) asserting any right or Claim, or taking any other act, in any manner or in any place, against any Settling Physician or Settling Health Care Provider in respect of a Assumed Third Party Claim that does not conform to or comply with this Plan and the Litigation Facility Agreement. The foregoing injunction provisions are an integral part of this Plan and are essential to its implementation.

8.6 **Supplemental Release and Injunction for Certain Settling Insurers.** The release and injunction provided in sections 8.3 and 8.4 shall, with respect to the London Market Insurers and TIG Insurance Company, include, without limitation, the prohibition against the commencement, continuation and/or enforcement of claims against (a) the London Market Insurers with respect to all Claims arising from or related to the development, manufacture and/or sale of any products by DCC, as well as certain environmental claims, all as described in the Order Authorizing and Approving Compromise and Settlement With the London Market Insurers entered on March 25, 1996, and (b) TIG Insurance Company with respect to pollution claims under the Excess Policy, as defined and released in the Settlement Agreement attached as Exhibit “1” to the Order Authorizing and Approving Compromise and Settlement With TIG Insurance Company and Other Insurers entered on March 25, 1996.

8.7 **Retention of Jurisdiction.** Notwithstanding entry of the Confirmation Order or the occurrence of the Effective Date, the Court and, as applicable, the District Court, will retain exclusive jurisdiction:

8.7.1 to determine any Disputed Claims;

8.7.2 to determine requests for payment of Claims entitled to priority under section 507(a)(1) of the Bankruptcy Code, including compensation of and reimbursement of expenses of parties entitled thereto;

8.7.3 to resolve controversies and disputes regarding interpretation and implementation of this Plan and the Plan Documents;

8.7.4 to resolve all actions involving the Depository Trust in accordance with the Settlement Facility Agreement;

8.7.5 to enter orders in aid of this Plan and the Plan Documents including, without limitation, appropriate orders (which may include contempt or other sanctions) to protect the Debtor, the Reorganized Debtor, the Released Parties, the Parties, the Tort Committee and any of the Joint Ventures and Subsidiaries from actions prohibited under this Plan and to enforce the terms of the Funding Payment Agreement;

8.7.6 to modify this Plan pursuant to section 11.4 of this Plan;

8.7.7 to determine any and all applications, Claims, adversary proceedings, and contested or litigated matters pending on the Effective Date;

8.7.8 to allow, disallow, estimate, liquidate or determine any Claim, including Claims of a Non-Settling Personal Injury Claimant, against the Debtor and to enter or enforce any order requiring the filing of any such Claim before a particular date;

8.7.9 to determine any and all pending motions for the rejection of executory contracts or leases, and to hear and determine, and if need be to liquidate, any and all Claims arising therefrom;

8.7.10 over actions either to enforce or to challenge the validity and enforceability of the releases and injunctions referred to in sections 8.3 through 8.6 of this Plan;

8.7.11 subject to section 8.5, to hear matters relating to the Assumed Third Party Claims as contemplated by the Litigation Facility Agreement; and

8.7.12 to enter a final decree closing the Case.

Nothing within this section 8.7 shall preclude the Reorganized Debtor from seeking the entry of an order closing the Case, upon motion after notice to the Finance Committee and the Claimants' Advisory Committee, both of which shall be created under the Settlement Facility Agreement. Any order closing the Case shall provide that the Court (i) shall retain jurisdiction to enforce by injunctive relief or otherwise the Confirmation Order, any other orders entered in the Case and the contractual obligations created by the Plan and the Plan Documents and (ii) shall retain all other jurisdiction and authority granted to it under the Plan and the Plan Documents. Nothing within this section 8.7 shall impair or alter the Reorganized Debtor's power to act without Court authority on and after the Effective Date.

8.8 **Failure of Court to Exercise Jurisdiction.** If the Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Case, including the matters set forth in this Article Eight, this Article Eight shall not diminish, control, prohibit or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

8.9 **Term of Injunction or Stay.** Unless otherwise provided, all injunctions or stays provided for in the Case pursuant to sections 105 or 362 of the Bankruptcy Code in effect on the Confirmation Date shall remain in full force and effect until the Effective Date. The injunctive provisions of sections 524 and 1141 of the Bankruptcy Code and those contained in the foregoing sections 8.4 through 8.6 are permanent and shall not be affected by this provision.

8.10 **Release of Official Committees and Estate Professionals.** Upon the Effective Date, the Tort Committee, the Commercial Committee, the Physicians Committee, and each of their respective members, representatives and professionals, and all other professionals retained in the Case pursuant to § 327 of the Bankruptcy Code shall be deemed released from all claims and causes of action relating to the bankruptcy estate of Dow Corning or that have been or could

be asserted by any party in interest in the Case or any Person acting on behalf of such party in interest.

8.11. **Insurance Settlements Unaffected.** This Plan does not modify the terms of any settlement agreement between the Debtor and any of the Settling Insurers. This provision does not limit the Debtor's ability to assert that this Plan establishes, liquidates, or creates losses payable or reimbursable under the terms of such agreements. This Plan does not limit the Settling Insurers' ability to contest the Debtor's claims for payment or reimbursement under the terms of such agreements.

### TREATMENT OF EXECUTORY

#### **CONTRACTS AND UNEXPIRED LEASES**

9.1 **Assumed Warranties.** All warranty contracts with respect to the products listed on **Exhibit "B"** hereto shall be assumed by the Reorganized Debtor on the Effective Date.

9.2 **Assumed Collective Bargaining Agreements.** The Debtor's collective bargaining agreements with any union, including those with the United Steelworkers of America, AFL-CIO-CIC, and Local 12934 of the United Steelworkers of America, AFL-CIO-CIC, and all employee benefit plans related to such collective bargaining agreements, and any and all obligations and liabilities thereunder or related thereto shall be deemed assumed by the Reorganized Debtor on the Effective Date.

9.3 **Assumed Employee and Retiree Benefit Plans.** To the extent such agreements or plans have not been previously assumed pursuant to this Court's order dated August 11, 1995,

all employee and retiree benefit plans shall be deemed assumed by the Reorganized Debtor on the Effective Date.

9.4 **General; Assumed if Not Rejected.** Subject to the requirements of section 365 of the Bankruptcy Code, all executory contracts (other than pre-Petition Date settlement agreements relating to Personal Injury Claims, which shall be treated as Class 4 Claims herein), or unexpired leases of the Debtor that have not been rejected by order of the Court or are not the subject of a motion to reject pending on the Confirmation Date shall be deemed assumed by the Reorganized Debtor on the Effective Date. If any party to an executory contract or unexpired lease that is being assumed pursuant to this Article Nine objects to such assumption, the Court may conduct a hearing on such objection on any date that is either mutually agreeable to the parties or fixed by the Court. All payments to cure defaults that may be required under section 365(b)(1) of the Bankruptcy Code shall be made by the Reorganized Debtor. In the event of a dispute regarding the amount of any such payments, or the ability of the Debtor to provide adequate assurance of future performance, the Debtor will make any payments required by section 365(b)(1) after the entry of the Final Order resolving such dispute.

9.5 **Claims for Contract Rejection.** All proofs of claim with respect to Claims arising from the rejection of executory contracts or unexpired leases pursuant to section 9.4 above must be filed with the Court within 30 days after the Effective Date or such Claims shall be barred. If any order providing for the rejection of an executory contract or unexpired lease (other than rejection effected pursuant to section 9.4 above) did not provide a deadline for the filing of Claims arising from such rejection, proofs of claim with respect thereto must be filed within 30 days after the later to occur of (a) the Effective Date or, (b) if the order is entered after the Effective Date, the date of entry of such order, or such Claims shall be barred.

**ARTICLE TEN**  
**PROVISIONS RELATING**  
**TO PLAN DISTRIBUTIONS**

10.1 **Distribution Shall be Made Only to Holders of Allowed Claims.** Except as otherwise provided in this Article Ten, distributions under this Plan shall be made only to the holders of Allowed Claims or to holders of Assumed Third Party Claims liquidated in the Litigation Facility. Until a Disputed Claim becomes an Allowed Claim, the holder of that Disputed Claim shall not receive the consideration otherwise provided to the Claimants under this Plan. If necessary in determining the amount of a Pro Rata distribution due to the holders of Allowed Claims in any class other than Classes 5 through 15 and Class 17 (with respect to which classes any deferment or reduction in payment shall be governed by the Funding Payment Agreement and, as applicable, the Settlement Facility Agreement or the Litigation Facility Agreement), the Reorganized Debtor shall make the Pro Rata calculation as if all Disputed Claims were Allowed Claims in the full amount claimed or in the Estimated Amount. When a Disputed Claim in any class other than Classes 5 through 19 becomes an Allowed Claim, the Reorganized Debtor shall make distributions with respect to such Allowed Claim, together with any Allowable interest accrued on the amount of each such distribution to the date thereof, net of any setoff contemplated by the order, if any, Allowing such Claim and/or any required withholding of applicable federal and state taxes. If the Court disallows or allows in a reduced amount any Disputed Unsecured Claim, any cash and accrued interest thereon otherwise distributable with respect to the disallowed Claim (or the disallowed portion thereof) will become property of the Reorganized Debtor and the affected Claimant shall have no further

rights against the Debtor or the Reorganized Debtor with respect to such disallowed Claim or portion of such disallowed Claim.

10.2 **Distributions to Holders of Allowed Bank Loan Claims.** Distributions provided for in this Plan on account of Allowed Bank Loan Claims shall be made, on or as soon as practicable following the Effective Date, either (a) if such agency relationship exists, to the agent bank for holders of Bank Loan Claims under the applicable credit agreement for further distribution to such holders, or (b) if no agent bank exists, directly to the holders of Bank Loan Claims. Any such distribution made by an agent bank will be made pursuant to the applicable credit agreement. Notwithstanding anything to the contrary contained in this Plan, the delivery by or on behalf of the Reorganized Debtor to an agent bank of the consideration to be distributed under this Plan to holders of Allowed Bank Loan Claims arising pursuant to the agreement under which such agent bank serves in such capacity shall fully satisfy and discharge the Reorganized Debtor's obligations to distribute such consideration to such holders.

10.3 **Distributions to Holders of Allowed Public Debt Claims.** Distributions provided for in this Plan on account of Allowed Public Debt Claims shall be made to the indenture trustee for holders of Public Debt Claims on or as soon as practicable following the Effective Date for further distribution to such holders. Any such distribution made by an indenture trustee will be made pursuant to the applicable indenture. Notwithstanding anything to the contrary contained in this Plan, the delivery by or on behalf of the Reorganized Debtor to an indenture trustee of the consideration to be distributed under this Plan to holders of Allowed Public Debt Claims arising pursuant to the indenture under which such indenture trustee serves

in such capacity shall fully satisfy and discharge the Reorganized Debtor's obligations to distribute such consideration to such holders.

10.4 **Distributions to Holders of Other Allowed Claims.** The Reorganized Debtor, or such third-party disbursing agents as the Reorganized Debtor may employ in its sole discretion, will make all distributions of cash required under this Plan, except for distributions made by agent banks or indenture trustees pursuant to sections 10.2 and 10.3, respectively. The Reorganized Debtor and any such third-party disbursing agent will serve as disbursing agents under this Plan without bond, and the Reorganized Debtor and any such third-party disbursing agent may employ or contract with other entities to assist in or make the distributions required by this Plan.

10.5 **Distribution Record Date; Suspension of Transfer of Claims.** As of the Distribution Record Date, the transfer registers for all Existing Debt Instruments maintained by the Debtor or its agents (including agent banks and indenture trustees) shall be closed. The Reorganized Debtor and any third-party disbursing agents (including agent banks and indenture trustees) shall have no obligation to recognize the transfer of any Existing Debt Instruments occurring after the Distribution Record Date, and shall be entitled to recognize and deal only with holders of record of Existing Debt Instruments as of the Distribution Record Date.

10.6 **Surrender of Existing Debt Instruments.** As a condition precedent to receiving any distribution pursuant to the Plan on account of an Allowed Public Debt Claim evidenced by an Existing Debt Instrument, the holder of such Claim shall surrender the applicable Existing Debt Instrument to the indenture trustee in accordance with the indenture for the Public Debt Claims and pursuant to a letter of transmittal furnished by the indenture trustee. All surrendered

Existing Debt Instruments shall be marked as canceled in accordance with section 2.10 of such indenture and, notwithstanding anything in such section 2.10 to the contrary, the indenture trustee shall deliver such canceled instruments to the Reorganized Debtor on a quarterly basis (or as may otherwise be agreed by the parties) after the Effective Date, *provided, however*, that the indenture shall continue in full force and effect until all amounts due thereunder have been satisfied in accordance with section 5.1 of this Plan. The indenture trustee shall provide reports to the Reorganized Debtor, on a quarterly basis after the Effective Date or as agreed from time to time by the parties, identifying the cancelled Existing Debt Instruments.

As a condition precedent to receiving any distribution pursuant to the Plan on account of an Allowed Bank Loan Claim evidenced by an Existing Debt Instrument, the holder of such Claim shall surrender the applicable Existing Debt Instrument to the Reorganized Debtor pursuant to a letter of transmittal furnished by the Reorganized Debtor (either directly or through an agent bank). Such letter of transmittal shall be accompanied by instructions for the proper completion, execution and delivery thereof, and shall specify that delivery of such Existing Debt Instrument will be effected, and risk of loss and title thereto will pass, only upon the proper delivery of such Existing Debt Instrument with the letter of transmittal in accordance with such instructions. Such letter of transmittal shall also include, among other provisions, customary provisions with respect to the authority of the holder of the applicable Existing Debt Instrument to act and the authenticity of any signatures required on the letter of transmittal. All surrendered Existing Debt Instruments shall be marked as canceled and delivered to the Reorganized Debtor.

In addition to any requirements under the applicable credit agreement, any holder of an Allowed Claim other than a Public Debt Claim evidenced by an Existing Debt Instrument that

has been lost, stolen, mutilated or destroyed shall, in lieu of surrendering such Existing Debt Instrument, deliver to the Debtor or the Reorganized Debtor (a) evidence reasonably satisfactory to the Debtor or the Reorganized Debtor of the loss, theft, mutilation or destruction and (b) such security or indemnity as may reasonably be required by the Debtor or the Reorganized Debtor to hold it and its agents harmless from any damages, liabilities or costs incurred in treating such individual as a holder of such Existing Debt Instrument. Any holder of a Public Debt Claim evidenced by an Existing Debt Instrument that has been lost, stolen, mutilated or destroyed shall, in lieu of surrendering such Existing Debt Instrument, comply with the requirements of section 2.9 of the indenture for the Public Debt Claims. Upon compliance with this paragraph by a holder of an Allowed Claim evidenced by an Existing Debt Instrument, such holder shall, for all purposes of this Plan, be deemed to have surrendered such Existing Debt Instrument in accordance with the provisions of this section 10.6.

Any holder of an Existing Debt Instrument that fails to surrender or to be deemed to have surrendered such Existing Debt Instrument within one year after the Effective Date shall have its claim for a distribution pursuant to the Plan on account of the Claim evidenced thereby discharged and shall be forever barred from asserting any such claim against the Reorganized Debtor or its property.

## **ARTICLE ELEVEN**

### **MISCELLANEOUS PROVISIONS**

11.1 **Objection to Claims.** Objections to Claims as to which no objection is pending as of the Confirmation Date may be filed solely by the Debtor or the Reorganized Debtor.

11.2 **Survival of Certain Corporate Indemnification Obligations.** Any obligations, rights or agreements of the Debtor to indemnify its past or present officers, directors, and employees pursuant to its Articles of Incorporation, bylaws, board of directors resolutions, and applicable statutes in respect of any Claims, demands, suits, causes of actions or proceedings based upon any act or omission related to service with or for or on behalf of the Debtor at any time prior to the Effective Date shall be deemed assumed by the Reorganized Debtor on the Effective Date and will not be discharged or impaired by confirmation or consummation of this Plan, but will survive unaffected by this Plan and will be performed and honored by the Reorganized Debtor.

11.3 **Procedures for Distributions; Unclaimed Distributions of Certain Claimants (Other Than Claimants in Classes 5 Through 19).** Except as provided in section 11.5 of this Plan or otherwise provided for in this Plan, the Plan Documents, or a Final Order of the Court, distributions to be made under this Plan to Claimants holding Allowed Claims in any class other than Classes 5 through 19 shall be made by the Reorganized Debtor by first class, United States mail, postage prepaid to (a) the latest mailing address set forth in a Proof of Claim filed with the Court by or on behalf of such Claimant or (b) if no such Proof of Claim has been timely filed, the mailing address set forth in the Schedules filed by the Debtor in the Case, as amended. The Reorganized Debtor shall not be required to make any other effort to locate or ascertain the address of the holder of any Claim. The Debtor will seek the inclusion in the Confirmation Order of a provision requiring any third-party paying agent charged with making distributions to holders of the Debtor's public debt instruments (including, if applicable, the indenture trustees therefor) to advise the Reorganized Debtor from time to time as to the identity of the persons, including the holders of Public Debt Claims, who are entitled to unclaimed distributions with respect to their Claims. Based upon such advice, the Reorganized Debtor will file with the Bankruptcy Court, on the second, third and fourth anniversaries of the Effective Date, listings of

persons who are entitled to unclaimed distributions in respect thereof. Subject to the provisions of section 10.6 hereof, if such Person comes forward within five years of the Effective Date, such distribution, together with any interest attributable to such amount, will be paid or distributed to such Person. Subject to the provisions of section 10.6 hereof, if such Person fails to come forward and claim the distribution within five years of the Effective Date, any such distribution and any accrued interest thereon will become the property of the Reorganized Debtor and the affected Claimant shall have no further rights against the Debtor or the Reorganized Debtor.

11.4 **Modification of Plan.** The Proponents reserve the right, in accordance with the Bankruptcy Code, to jointly amend, modify or withdraw this Plan prior to the entry of the Confirmation Order. After the entry of the Confirmation Order, the Proponents may, upon order of the Court, jointly amend or modify this Plan in accordance with section 1127(b) of the Bankruptcy Code, or remedy any defect or omission or reconcile any inconsistency in this Plan in such manner as may be necessary to carry out the purpose and intent of this Plan. If Dow Corning proposes to amend or modify the Plan in any respect that does not adversely affect Claimants in Classes 5 through 10.2, the Tort Committee will not unreasonably withhold its consent.

11.5 **Payment Dates.** Unless otherwise agreed by the Reorganized Debtor and the recipient of a distribution under the Plan, whenever any payment to be made under this Plan is due on a day other than a Business Day, such payment will instead be made on the next Business Day, with interest to the extent expressly contemplated by the Plan or any applicable agreement, indenture or instrument. Unless otherwise agreed by the Reorganized Debtor and the recipient of a distribution under the Plan, (a) cash payments in excess of \$250,000 to be made by the Debtor pursuant to the Plan shall be made by wire transfer, provided the payee shall have delivered specific wire transfer instructions to the Reorganized Debtor not less than five Business Days

prior to the date on which such payment is to be made, and (b) all other cash payments to be made by the Debtor pursuant to this Plan shall be made, at the option of the Reorganized Debtor, by a check or wire transfer.

11.6 **Severability.** In the event of a successful collateral attack on any provision of the Plan (i.e., an attack other than through a direct appeal of the Confirmation Order), the remaining provisions of the Plan shall remain binding on all other parties.

11.7 **Tax Identification Numbers.** Prior to receiving any distribution under this Plan, all Claimants shall provide the Reorganized Debtor or, as applicable, the Settlement Facility or Litigation Facility with written notification or confirmation of their respective federal tax identification numbers or social security numbers or, with respect to Foreign Claimants, a certificate of foreign status.

11.8 **No Professional Fees or Expenses.** No professional fees or expenses will be paid by the Debtor or the Reorganized Debtor with respect to any Claim except as specified in this Plan or as Allowed by Final Order of the Court.

11.9 **Post-Confirmation Professional Fees and Expenses.** All professional fees and expenses incurred by the Debtor or the Reorganized Debtor after the Effective Date shall be paid in the ordinary course of business of the Debtor or the Reorganized Debtor. The Court shall retain jurisdiction to resolve any dispute with respect to the payment of any such fees or expenses upon application by the affected professional.

11.10 **Headings.** The headings of the articles, paragraphs, and sections of this Plan are inserted for convenience only and shall not affect the interpretation hereof.

11.11 **Time.** In computing any period of time prescribed or allowed by this Plan, the day of the act, event, or default from which a designated period of time begins to run shall not be included. The last day of the period so computed shall be included so long as it is a Business Day or, when the act to be done is the filing of a paper in Court, so long as it is not a day on

which weather or other conditions have made the Clerk's office inaccessible, in which event the period runs until the next day which is not one of the aforementioned days. When the period of time prescribed or allowed is less than 11 days, any day that is not a Business Day shall be excluded in the computation.
